FIRST ORDER OF BUSINESS

Roll Call

Ms. Burns called the meeting to order. Three Supervisors were in attendance at the meeting constituting a quorum.

SECOND ORDER OF BUSINESS

Public Comment Period

There were no members of the public present or joining via Zoom.

THIRD ORDER OF BUSINESS

**Approval of Minutes of the January 24, 2024
Board of Supervisors Meetings**

Ms. Burns asked for changes or corrections to the January 24, 2024 Board of Supervisors meeting minutes. The Board had no changes to the minutes.

On MOTION by Ms. Kowalski, seconded by Ms. Henley, with all in favor, the Minutes of the January 24, 2024 Board of Supervisors Meeting, were approved.

**Lauren Schwenk joined the meeting at this time.*

FOURTH ORDER OF BUSINESS

Review and Ranking of Proposals Received for RFP for Construction Services and Authorizing Staff to Send Notices of Intent to Award (Feagin Subdivision)

Ms. Wertz stated there was a bid opening on March 8th and five bidders responded. There was an opening price and then they clarified the bids to get apples to apples. No one really changed except for Kearney. Tucker came in lowest on days. Kearney came in lowest on price. When looking at Tuckers days, they were somewhat uncomfortable with 262 days for a subdivision of 422 lots and a pump station so felt it was somewhat realistic. They were docked a couple of points on schedule. She noted she reviewed their nine most recent projects in the last six months and found the number of calendar days per lot varied from 0.8 at lowest end to 1.3 at the highest end. They took 0.8 x 422 lots and got 337 days. Other adjustments made included points deducted as QGS did not provide an emergency bypass pump unit also points deducted from RIPA as they were nonresponsive. Everyone else had proper financial capability, experience, and personnel. Looking at the overall ranking, Kearney wins at 92.9 which is the \$13,577,261.45 with 336 days to substantial completion and 364 to final and is their recommendation. Mr. Cavaretta clarified with Heather that everyone was responsive to the bid with the exception that RIPA was not responsive to the follow up questions for clarification. Ms. Wertz noted that is correct. Ms. Schwenk asked if they reached out to Tucker to confirm that was a realistic schedule. Ms. Wertz noted she did reach out to them and they stated they thought they could get it done. Mr. Malave stated with the excavation number added it is still \$2,000,000 so Kearney is still the best bet dollarwise cost. Mr. Cavaretta asked with the surplus fill that is going to be going to this other project, how do they make sure the Pollard Road CDD is paying for the appropriate cost relating to that but also reimbursement from other parties for the fill. Mr. Arrington asked if the plan is to stockpile it onsite or transport it offsite. Mr. Cavaretta noted the way it was bid the plan was to over excavate flood compensation ponds and haul that surplus to VillaMar Phase 8 site. Mr.

Arrington noted they can workout a purchase from VillaMar for the excess fill delivered. Ms. Burns verified for official rankings the cost per lot is \$34,364.17. She noted they will get the notices out to the proposers.

On MOTION by Mr. Cavaretta, seconded by Ms. Kowalski, with all in favor, the Recommendation of Bid Ranking for Kearney for the Alternate Which Includes 100,000 Yards of Fill being sent to VillaMar, was approved.

FIFTH ORDER OF BUSINESS

Consideration of 2024 Non-Ad Valorem Contract Agreement with Polk County Property Appraiser

Ms. Burns stated this is the annual renewal.

On MOTION by Ms. Kowalski, seconded by Mr. Cavaretta, with all in favor, the 2024 Non-Ad Valorem Contract Agreement with Polk County Property Appraiser, was approved.

SIXTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. Van Wyk noted the session ended and they are reviewing the bills that passed and the ones the governor is going to sign. They will wait for him to make his decision and will be coming forward probably with some new revised bills and procedures. There is a couple of things that have changed and will come back with that over the summer.

B. Engineer

Mr. Malave had nothing further to report at this time.

C. District Manager’s Report

i. Approval of Check Register

Ms. Burns presented the check register from January 10th through March 15th totaling \$12,176.71.

On MOTION by Ms. Henley, seconded by Ms. Kowalski, with all in favor, the Check Register totaling \$12,176.71, was approved.

1. Introduction

Pollard Road Community Development District (the “District” or “CDD”) is located entirely within the City of Winter Haven, Florida (the “City”), Polk County, Florida. It is located south of 4th Street E, east of Riffle Range Road, and west of Pollard Road. The District currently contains approximately 111.94 acres and is expected to consist of 422 residential lots of various sizes for single family with recreation/amenity areas, parks, and associated infrastructure for the development.

The CDD was established under the City Ordinance O-22-16, which was approved by the City Commission on February 28, 2022. The District will own and operate the public roadways and stormwater management facilities, as well as the landscape, irrigation, signage, and recreational facilities within the development.

The Master Developer (“Developer”) is Highland Cassidy, LLC, is based in Winter Haven, Florida. The development is approved as a Planned Development (PD) for Residential Units to be constructed in a single phase. A land use summary is presented in Table 1.

Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to regulatory criteria from the city, county, Southwest Florida Water Management District (SWFWMD), and other applicable agencies with regulatory jurisdiction over the development, an overall estimate of the probable cost of the public improvements are provided in Exhibit 7 of this report.

The Capital Improvement Plan (CIP) or this Engineer’s Report reflects the present intentions of the District and the landowners. It should be noted that the location of the proposed facilities and improvements may be adjusted during the final design, permitting, and implementation phases. It should also be noted that these modifications are not expected to diminish the benefits to the property within the District. The District reserves the right to make reasonable adjustments to the development plan to meet applicable regulatory requirements of agencies with jurisdiction over the development while maintaining a comparable level of benefits to the lands served by the improvements. Changes and modifications are expected as changes in regulatory criteria are implemented.

Implementation of any proposed facilities or improvements outlined in this report requires written approval from the District’s Board of Supervisors. Estimated costs outlined in this report are based on the best available information, which includes, but is not limited, to previous experience with similar projects. Actual costs could be different than estimates because final engineering and specific field conditions may affect construction costs.

All roadway improvements including sidewalks in the right-of-way and storm drainage collection systems (from the curb inlets to their connection to the stormwater ponds) within the development will be maintained by the county. Water distribution and wastewater collection systems (gravity lines, force mains, and lift stations) will be dedicated to the City for ownership and maintenance upon completion.

2. Purpose and Scope

The purpose of this report is to provide engineering support for the funding of the proposed improvements within the District. This report will identify the proposed public infrastructure to be constructed or acquired by the District along with an Opinion of Probable Construction Costs. The District will finance, construct, acquire, operate, and maintain all or specific portions of the proposed public infrastructure.

The predominant portion of this report provides descriptions of the proposed public infrastructure improvements, determination of estimated probable construction costs, and the corresponding benefits associated with the implementation of the described improvements. Detailed site construction plans and specifications have not yet been completed and permitted for the improvements described herein. The engineer has considered and in specific instances has relied upon, the information and documentation prepared or supplied by others to prepare this Engineer’s Report.

3. The Development

The development will consist of a total of 422 residential units and associated infrastructure. The development is a planned residential community consisting 111.94 acres located south of 4th Street E, east of Riffle Range Road, and west of Pollard Road. It located entirely within the City of Winter Haven, Florida in Polk County. The land uses and zoning for the development are LDR (low density residential). The development will be constructed in a single phase.

4. Capital Improvements

The CIP consists of public infrastructure in the development. The primary portions of the CIP will provide for stormwater pond construction, roadways built to an urban roadway typical section, water, and sewer infrastructure including a lift station, and off-site improvements (including turn lanes and extension of water and sewer mains to serve the development).

There will also be stormwater structures and conveyance culverts within the CIP, which will outfall into the various on-site stormwater ponds. These structures and pond areas comprise the overall stormwater facilities of the CIP. Installation of the water distribution and wastewater collection system will also occur at this time as well as the lift station serving the project. Below-ground installation of telecommunications and cable television will occur but will not be funded by the District. Installation of streetlights and the incremental cost of undergrounding of power within the public rights-of-way or easements will be funded by the District.

The recreational areas will have connectivity via sidewalks to the other portions of the District. The recreational areas will be accessed by the public roadways and sidewalks.

5. Capital Improvement Plan Components

The CIP for the District includes the following:

5.1 Stormwater Management Facilities

Stormwater Management facilities consisting of storm conveyance systems and retention/detention ponds are contained within the District boundaries. Stormwater will be discharged via roadway curb and gutter and storm inlets. Storm culverts convey the runoff into the proposed retention ponds for water quality treatment and attenuation. The proposed stormwater systems will utilize dry retention and/or wet retention for biological pollutant assimilation to achieve water quality treatment. The design criteria for the District’s stormwater treatment systems are regulated by the county and SWFWMD.

Federal Emergency Management Agency Flood Insurance Rate Map (FEMA FIRM) Panel No. 12105C0530G, dated 12/22/2016, demonstrates that the property is located within Flood Zone X. Based on this information and the site topography, it appears that 100-year compensation will be done in areas where we will impact existing depressions throughout the development and the 100-year flood volumes will be compensated as it is required the county and FEMA.

During the construction of stormwater management facilities, utilities, and roadway improvements the contractor will be required to adhere to a Stormwater Pollution Prevention Plan (SWPPP) as required by the Florida Department of Environmental Protection (FDEP) as delegated by the Environmental Protection Agency (EPA). The SWPPP will be prepared to depict the proposed recommended locations of required erosion control measures and staked turbidity barriers specifically along the downgradient side of any proposed construction activity. The site contractor will be required to provide the necessary reporting as required by the National Pollutant Discharge Elimination System (NPDES) General Permit with erosion control, its maintenance, and any rainfall events that occur during construction activity.

5.2 Public Roadways

The proposed public roadway sections include a 24-foot roadway consisting of asphalt and with Miami curbs or Type F curb and gutter on both sides along with a 50-foot right-of-way. The proposed roadway section will consist of stabilized subgrade, a lime rock, crushed concrete, or cement-treated base, and asphalt type roadway wearing surface. The proposed curb is to be 2-feet wide and placed along the edge of the proposed roadway section for purposes of protecting the integrity of the pavement and to provide stormwater runoff conveyance to the proposed stormwater inlets.

The proposed roadways will also require signing and pavement markings within the public rights-of-way, as well as street signs depicting street name identifications and addressing, which will be utilized by the residents and public. As stated above, the District's funding of roadway construction will occur for all public roadways.

5.3 Water and Wastewater Facilities

A potable drinking water distribution system inclusive of a water main, gate valves, fire hydrants, and appurtenances will be installed. The water service provider will be the City. The water system will be designed to provide equal distribution and redundancy. The system will be installed within the proposed public rights-of-way and will provide potable drinking water (domestic) and fire protection services to serve the entire District.

A domestic wastewater collection system inclusive of gravity sanitary sewer mains and sewer laterals will be installed. The gravity sanitary sewer mains will be a minimum of eight (8)-inch diameter PVC pipe systems. The gravity sanitary sewer lines will be placed inside of the proposed public rights-of-way, under the proposed paved roadways. Sewer laterals will branch off from these sewer lines to serve the development. Lift stations are anticipated for this CIP. Flow from the lift station shall be connected to a proposed force main that will pump to an existing force main that will connect to the City's wastewater treatment facility.

The City's public utilities will provide the reclaimed water to be used for all irrigation within the CDD. The reclaimed water will be funded by the District and installed onsite within the roadways to provide for irrigation within the public right-of-way or any areas needing irrigation. No public funds will be used to finance or refinance the cost of any water, sewer, or reclaim water pipes or facilities that consist of extensions to private lots or that are placed on private property, as applicable.

5.4 Off-Site Improvements

The District will provide funding for the anticipated turn lanes at the development entrances. The site construction activities associated with the CIP are anticipated to be completed in two years. Upon completion, the improvements required inspections will be completed and final certifications of completions will be obtained from SWFWMD, FDEP (water distribution and wastewater collection systems), and the City.

5.5 Amenities and Parks

The District will provide funding for an amenity center that is open to the residents and the public to include the following: parking areas, restroom facilities, pool, all-purpose playfields, and walking trails to provide connectivity to the various amenity centers within the CDD. In addition, there will be passive parks throughout the development, which will include benches and walking trails.

5.6 Electric Utilities and Lighting

The electric distribution system thru the District is currently planned to be underground. The District presently intends to fund the incremental cost of undergrounding of the electric conduits, transformer/cabinet pads, and electric manholes required by Duke Energy, with Duke providing underground electrical service to the development. The CDD presently intends to fund the cost to purchase and install the street lighting along the internal roadways within the CDD. Electric facilities will be maintained by Duke after the dedication to The District, with Duke providing underground electrical service to the development.

5.7 Entry Feature

Landscaping, irrigation, entry features, and walls where required as a buffer at the entrances and along the outside boundary of the development, will be provided by the District. Landscaping for the roadways will consist of sod, perennial flowers, shrubs, ground cover, and trees for the internal roadways within the CDD. Perimeter fencing will be provided at the site entrances and perimeters where required as a buffer. These items will be funded, owned, and maintained by the CDD.

5.8 Miscellaneous

The stormwater improvements, landscaping and irrigation, recreational improvements, street lighting, and certain permits and professional fees as described in this report are being financed by the District to benefit all the developable real property within the District. The construction and maintenance of the proposed public improvements will benefit the development for the intended use as a single-family/residential planned development.

5.9 Permitting

Construction permits for all phases are required and include the SWFWMD ERP, FDEP, City of Winter Haven, and county construction plan approval. Following is a summary of required permits obtained or pending approval for the construction of the public infrastructure improvements for the District.

Table 5.1 Permit Status

FDEP NOI	Approved (1/22/2024)

6. Capital Improvement Plan Components

As previously explained within this report, the public infrastructure, as described, is necessary for the development and functional operation as required by the City. The site planning, engineering design, and construction plans for the infrastructure are in accordance with the applicable requirements of the Polk County and SWFWMD. It should be noted that the infrastructure will provide its intended use and function

so long as the construction and installation are in substantial conformance with the design construction plans and regulatory permits.

Items utilized in the Opinion of Probable Costs for this report are based upon the proposed plan infrastructure as shown on construction drawings incorporating specifications in the most current SWFWMD, FDEP, Polk County, and City of Winter Haven regulations.

7. Report Modification

During the development and implementation of the designed public infrastructure improvements, it may be necessary to make modifications and/or deviations to the plans. However, if such deviations and/or revisions do not change the overall primary objective of the plan for such improvements, then the cost differences would not materially affect the proposed construction cost estimates.

8. Summary and Conclusion

The improvements as outlined are necessary for the functional development of the entire project. The project is being designed in accordance with current government regulatory requirements. The project will serve its intended function provided the construction is in substantial compliance with the design. Items of construction for the project are based upon current development plans.

9. Engineer’s Certification

It is our professional opinion that the public infrastructure costs for the CIP provided in this report are reasonable to complete the construction of the public infrastructure improvements. Furthermore, the public infrastructure improvements will benefit and add value to lands within the District and the value is at least the same as the costs for said improvements.

The Opinion of Probable Costs for the public infrastructure improvements is only an estimate and is not a guaranteed maximum price. The estimated costs are based upon current unit prices and on our experience with ongoing and similar projects and basis in the county and city. However, labor market, future costs of equipment; materials, changes to the regulatory permitting agencies' activities, and the actual construction processes employed by the chosen site contractor are beyond the engineer's control. Due to this inherent opportunity for changes (upward or downward) in the construction costs, the total, final construction cost may be more or less than this estimate.

Based upon the presumption that the CIP construction continues in a timely manner, it is our opinion that the costs of the CIP proposed represent a system of improvements benefitting all developable property located within the District, are fair and reasonable, and that the District-funded improvements are assessable improvements within the meaning of Chapter 190, F.S. We have no reason to believe that the CIP improvements cannot be constructed at the cost described in this report. We expect the improvements to be constructed or acquired by the District with bond proceeds, as indicated within this report. We believe that the District will be well served by the improvements discussed in this report.

I hereby certify that the foregoing is a true and correct copy of the engineer’s report for Pollard Road Community Development District.

1.0 Introduction

Pollard Road Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District plans to issue approximately \$10,570,000 of tax exempt bonds (the “Series 2024 Bonds” or “Bonds”) for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Supplemental Engineer’s Report dated April 8, 2024, prepared by Dewberry Engineers Inc. as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within the District.

1.1 Purpose

This Supplemental Assessment Methodology Report (the “Assessment Report”) supplements the Master Assessment Methodology dated March 8, 2022 and provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the District’s capital improvement plan (“CIP”). This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 111.94 acres within the City of Winter Haven, located in Polk County, Florida. The development program currently envisions approximately 422 residential lots (herein the “Development”). The proposed Development program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP will provide facilities that benefit certain property within the District. The CIP is delineated in the Engineer’s Report. Specifically, the District will construct and/or acquire certain offsite improvements, stormwater management, utilities, electrical undergrounding,

roadway, parks, amenities, & open spaces, general consulting and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the CIP.
2. The District Engineer determines the assessable acres that benefit from the District's CIP.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's CIP, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's CIP. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.

- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's CIP that is necessary to support full development of property will cost approximately \$21,015,885. The District's Underwriter projects that financing costs required to fund a portion of the CIP, including project costs, the cost of issuance of the Bonds, and the funding of a debt service reserve fund, will be approximately \$10,570,000. Additionally, funding required to complete the CIP which is not financed with Bonds will be funded by Developer. Without the CIP, the property would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District is planning to issue approximately \$10,570,000 in Bonds to fund a portion of the District's CIP, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$10,570,000 in debt to the properties benefiting from the CIP.

Table 1 identifies the proposed land uses as identified by the Developer. The District has relied on the Engineer's Report to develop the costs of the CIP needed to support the Development, these construction costs are outlined in Table 2. The improvements needed to support the Development are described in detail in the Engineer's Report and are estimated to cost \$21,015,885. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the CIP and related costs was determined by the District's Underwriter to total approximately \$10,570,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The CIP funded by District Bonds benefits all developable acres within the District. The initial assessments will be levied on an equal basis to all acres within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the improvements.

Once platting or the recording of declaration of condominium, (“Assigned Properties”) has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis (“Unassigned Properties”). Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the planned 422 residential units within the District, which are the beneficiaries of the CIP, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

In order for debt service assessment levels to be consistent with market conditions, developer contributions are recognized. This is reflected on Table 5. Based on the product type and number of units anticipated to absorb a certain amount of the Bond principal, it is estimated that the District will recognize a developer contribution equal to \$885,000 in eligible infrastructure.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The CIP consists of offsite improvements, stormwater management, utilities, electrical undergrounding, roadway, parks, amenities & open spaces, general consulting and contingency. There is *One* residential product type within the planned development. The single family 50’ home has been set as the base unit and has been assigned one equivalent residential unit (“ERU”). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed CIP will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management, utilities, electrical undergrounding, roadway, parks amenities, amenities, & open spaces, general consulting and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of CIP, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's CIP have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed CIP is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during

the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the liens across the property within the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. At this time the debt associated with the District's CIP will be distributed evenly across the acres within the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

WHEREAS, any capitalized terms used herein and not otherwise expressly defined herein shall have the meaning ascribed thereto in the Indenture; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Pollard Road Community Development District, as follows:

Section 1. Authorization of Issuance of Series 2024 Bonds. There are hereby authorized and directed to be issued: the Pollard Road Community Development District Special Assessment Bonds, Series 2024 (Series 2024 Project) (the "Series 2024 Bonds") in an aggregate principal amount not to exceed \$15,000,000, for the purposes of (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) making a deposit to the Series 2024 Reserve Account in an amount equal to the Series 2024 Reserve Requirement, and (iii) paying certain costs of issuance in respect of the Series 2024 Bonds.

Section 2. Details of the Series 2024 Bonds. The District hereby determines that the Series 2024 Bonds shall mature in the amounts and at the times, shall bear interest at the rates, be redeemable at the redemption prices and in the manner as determined by the Chair (the "Chair") of the Board or any member of the Board by the Chair (a "Designated Member"), prior to the sale

of said Series 2024 Bonds, all in a manner consistent with the requirements of the Bond Resolution and within the parameters set forth in Section 5 hereof.

Section 3. First Supplemental Indenture. The District hereby approves and authorizes the execution of the First Supplemental Indenture by the Chair or any Designated Member and the Secretary or any Assistant Secretary of the Board (the "Secretary") and the delivery of the First Supplemental Indenture in substantially the form thereof attached as Exhibit A hereto, with such changes therein as shall be approved by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of First Supplemental Indenture attached hereto.

Section 4. Negotiated Sale. The Series 2024 Bonds shall be sold by a negotiated sale to the Underwriter. It is hereby determined by the District that a negotiated sale of the Series 2024 Bonds to the Underwriter will best effectuate the purposes of the Act, is in the best interests of the District and is necessitated by, in general, the characteristics of the issues and prevailing market conditions and specifically, the following additional reasons:

(i) because of the complexity of the financing structure of the Series 2024 Bonds, including the pledge of Special Assessments as security for the Series 2024 Bonds, it is desirable to sell the Series 2024 Bonds pursuant to a negotiated sale so as to have an underwriter involved from the outset of the financing to assist in these matters;

(ii) because of changing market conditions for tax-exempt bonds and the necessity of being able to adjust the terms of the Series 2024 Bonds, it is in the best interests of the District to sell the Series 2024 Bonds by a negotiated sale;

(iii) the Underwriter has participated in structuring the issuance of the Series 2024 Bonds and can assist the District in attempting to obtain the most attractive financing for the District;

(iv) the Series 2024 Bonds do not bear a credit rating and will be offered initially only to accredited investors within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder; and

(v) the District will not be adversely affected if the Series 2024 Bonds are not sold pursuant to a competitive sale.

Section 5. Bond Purchase Contract. The District hereby approves the form of the Bond Purchase Contract submitted by the Underwriter and attached as Exhibit B hereto, and the sale of the Series 2024 Bonds by the District upon the terms and conditions set forth in the Bond Purchase Contract is hereby approved. The Chair or a Designated Member is each hereby authorized, acting individually, to execute the Bond Purchase Contract and to deliver the Bond Purchase Contract to the Underwriter. The Bond Purchase Contract shall be in substantially the form of the Bond Purchase Contract attached as Exhibit B hereto with such changes, amendments, modifications, omissions and additions as may be approved by the Chair or the Designated Member; provided, however,

(i) Any optional redemption of the Series 2024 Bonds will be determined at pricing of the Series 2024 Bonds;

(ii) The interest rate on the Series 2024 Bonds shall not exceed the maximum statutory rate (calculated under Section 215.84(3), Florida Statutes, as amended);

(iii) The aggregate principal amount of the Series 2024 Bonds shall not exceed \$15,000,000;

(iv) The Series 2024 Bonds shall have a final maturity not later than the maximum term allowed by Florida law, which is currently thirty (30) years of principal amortization; and

(v) The price at which the Series 2024 Bonds shall be sold to the Underwriter shall not be less than 98.0% of the aggregate face amount of the Series 2024 Bonds, exclusive of original issue discount .

Execution by the Chair or a Designated Member of the Bond Purchase Contract shall be deemed to be conclusive evidence of approval of such changes.

Section 6. Preliminary Limited Offering Memorandum; Final Limited Offering Memorandum. The District hereby approves the form of the Preliminary Limited Offering Memorandum submitted to this meeting and attached as Exhibit C hereto and authorizes its distribution and use in connection with the limited offering for sale of the Series 2024 Bonds. The preparation of a final Limited Offering Memorandum relating to the Series 2024 Bonds (the "Limited Offering Memorandum") is hereby approved and the Chair or any Designated Member is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the award of the Series 2024 Bonds and, upon such award, to deliver the same to the Underwriter for use by it in connection with the sale and distribution of the Series 2024 Bonds. The Limited Offering Memorandum shall be substantially in the form of the Preliminary Limited Offering Memorandum attached as Exhibit C hereto, with such changes as shall be approved by the Chair or Designated Member as necessary to conform the details of the Series 2024 Bonds and such other insertions, modifications and changes as may be approved by the Chair or Designated Member. The execution and delivery of the Limited Offering Memorandum by the Chair or Designated Member shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Series 2024 Bonds. The Chair is further authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, in the form as mailed, and in furtherance thereof to execute the Rule 15c2-12 Certificate evidencing the same substantially in the forms attached as Exhibit D hereto.

Section 7. Continuing Disclosure. The District hereby authorizes and approves the execution and delivery of a Continuing Disclosure Agreement by and among the District, the Dissemination Agent and any landowner constituting an "Obligated Person" under the Continuing Disclosure Agreement, by the Chair or a Designated Member substantially in the form presented to this meeting and attached as Exhibit E hereto, with such changes therein as shall be approved

by the Chair or Designated Member executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of Continuing Disclosure Agreement attached hereto. The Continuing Disclosure Agreement is being executed by the District in order to assist the Underwriter in complying with Rule 15c2-12(b)(5) promulgated by the U.S. Securities and Exchange Commission.

Section 8. Application of Bond Proceeds. The proceeds of the Series 2024 Bonds shall be applied in the manner required in the First Supplemental Indenture.

Section 9. Further Official Action; Ratification of Prior and Subsequent Acts. The Chair, the Secretary and each member of the Board of the District and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Series 2024 Bonds, any documents required in connection with implementation of a book-entry system of registration, and investment agreements relating to the investment of the proceeds of the Series 2024 Bonds and any agreements in connection with maintaining the exclusion of interest on the Series 2024 Bonds from gross income of the holders thereof) and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution, including changing the series designation or the dated date of any and all documents on behalf of the District which are necessary and desirable in connection with the issuance of the Series 2024 Bonds. In the event that the Chair or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation. Execution by the Chair or a Designated Member of such document shall be deemed to be conclusive evidence of approval of such change of date. All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution and the issuance of the Series 2024 Bonds, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

Section 10. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 11. Inconsistent Proceedings. All resolutions or proceedings, or parts thereof, in conflict with the provisions hereof are to the extent of such conflict hereby repealed or amended to the extent of such inconsistency.

Section 12. Public Meetings. It is hereby found and determined that all formal actions of the District concerning and relating to the adoption of this Resolution and the consummation of the transactions contemplated by this Resolution were adopted in open meetings of the District,

pursuant to all applicable laws and orders, and that all deliberations of the District that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 13. Effective Date. This Resolution shall take effect immediately upon its adoption.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2024 Interest Account." Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2024 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2024 Sinking Fund Account." Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2024 Reserve Account." Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2024 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 or, if such date is not a Business Day, (on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Series 2024 Reserve Requirement resulting from investment earnings to the Series 2024 Acquisition and Construction Account and if such Account is closed, to the Series 2024 Revenue Account in accordance with Section 6.05 of the Master Indenture.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will exceed the Series 2024 Reserve Requirement for the Series 2024 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached hereto as

Exhibit C to the Issuer submitted by the Series 2024 Landowner within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Series 2024 Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Series 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the Series 2024 Landowner, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2024 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2024 General Redemption Subaccount and applied to the redemption of Series 2024 Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2024 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2024 Revenue Account to round up the amount in the Series 2024 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be made to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2024 Bond Redemption Account" and within such Account, a "Series 2024 General Redemption Subaccount," a "Series 2024 Optional Redemption Subaccount," and a "Series 2024 Prepayment Subaccount." Except as otherwise provided in this First Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2024 Bonds, or (ii) in whole or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount (including all earnings on investments held in such Series 2024 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory

redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2024 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee upon written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2024 Revenue Account to deposit to the Series 2024 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(i) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2024 Rebate Account." Moneys shall be deposited into the Series 2024 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Requirement for the Series 2024 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the

amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account upon the written request of the Issuer to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless needed to be transferred to the Series 2024 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2024 Bond subject to extraordinary mandatory redemption pursuant to Sections 4.01(f) or 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2024 Bonds and Create Lien The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Series 2024 Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds, except as otherwise permitted under the Master Indenture and in Section 5.04 hereof. The Series 2024 Bonds and the provisions of the Series 2024 Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law and without waiving any sovereign immunity or limitation of liability afforded by Section 768.28, Florida Statutes, or other law, defend, preserve and protect the pledge created by the Series 2024 Indenture and all the rights of the Holders of the Series 2024 Bonds under the Series 2024 Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. Series 2024 Project to Conform to the Engineer's Report. Simultaneously with the issuance of the Series 2024 Bonds, the Issuer will promptly proceed to construct and/or acquire the Series 2024 Project, as described in Exhibit A hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2024 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof, shall, or by operation of law, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property

subject to Series 2024 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2024 Bonds pursuant to Section 3.01(b)(i) hereof, in the event the amount on deposit in the Series 2024 Reserve Account will exceed the Series 2024 Reserve Requirement for the Series 2024 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption in accordance with Section 3.01(b)(i) of this First Supplemental Trust Indenture of Series 2024 Bonds, the excess amount shall be transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount, as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the Issuer to the Trustee together with a certificate of a Responsible Officer of the Issuer, upon which the Trustee may conclusively rely, stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the Series 2024 Reserve Requirement.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2024 Bonds pursuant to Section 3.01(b)(i) forty-five (45) days prior to each Quarterly Redemption Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2024 Special Assessments. The Series 2024 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635 Florida Statutes, (the "Uniform Method") unless the District determines that it is in its best interest to collect directly. The Series 2024 Special Assessments levied on unplatted lots or lands, shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interest to do so. Prior to an Event of Default, the election to collect and enforce Series 2024 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2024 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2024 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2024 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2024 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2024 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2024 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The applicable assessment methodology report shall not be materially amended without the written consent of the Majority Holders, which consent shall be deemed given if no response is received within sixty (60) days of a written request therefor.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Series 2024 Landowner have executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

In addition, the Issuer covenants not to issue any other Bonds or debt obligations, secured by Special Assessments on the assessable lands within the District that are subject to the Series 2024 Special Assessments, until such time as the Series 2024 Special Assessments are

Substantially Absorbed or the Majority Holder has consented in writing. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2024 Special Assessments have not been Substantially Absorbed.

Such covenant shall not prohibit the Issuer from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2024 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2024 Project.

SECTION 5.05. Requisite Owners for Direction or Consent

Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires greater than 50% (fifty percent) of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding the Moneys in the Series 2024 Acquisition and Construction Account Following an Event of Default

In accordance with the provisions of the Series 2024 Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and any other moneys held by the Trustee under the Series 2024 Indenture for such purpose. Anything in the Series 2024 Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Series 2024 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Series 2024 Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2024 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

It is expressly agreed by the Registered Owner of this Bond that such Registered Owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Series 2024 Indenture, except for Series 2024 Special Assessments to be assessed and levied by the Issuer as set forth in the Series 2024 Indenture.

By the acceptance of this Bond, the Registered Owner hereof assents to all the provisions of the Series 2024 Indenture.

This Bond is payable from and secured by Series 2024 Pledged Revenues, as such term is defined in the Series 2024 Indenture, all in the manner provided in the Series 2024 Indenture. The Series 2024 Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of Series 2024 Special Assessments to secure and pay the Series 2024 Bonds.

The Series 2024 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2024 Bonds shall be made on the dates specified below. Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption payment due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Optional Redemption

The Series 2024 Bonds maturing after May 1, 20__ may, at the option of the Issuer be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Extraordinary Mandatory Redemption in Whole or in Part

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

If such redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee under the First Supplemental Trust Indenture (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture.

In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Special Assessment Bonds, Series 2024 (the "Series 2024 Bonds"). The Series 2024 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2024 Bonds shall be \$[_____] (representing the \$[_____] aggregate principal amount of the Series 2024 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less underwriter's discount of \$[_____]). The payment for and delivery of the Series 2024 Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the "Closing."

2. The Series 2024 Bonds. The Series 2024 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the "Act"), and by Ordinance No. O-22-16 enacted by the City Commission of the City of Winter Haven, Florida (the "City") on February 28, 2022 (collectively, the "Ordinance"). The Series 2024 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of [_____] 1, 2024 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of [_____] 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution No. 2022-26 and Resolution No. 2024-[] adopted by the Board on March 8, 2022 and

[April 24], 2024, respectively (collectively, and together with the Supplemental Bond Resolution as described herein, the "Bond Resolution"). The Series 2024 Special Assessments, the revenues from which constitute part of the Series 2024 Pledged Revenues, have been, or will be prior to the time of Closing, levied by the District on the lands within the District specially benefited by the Series 2024 Project pursuant to the Assessment Resolutions (as such terms are defined in the Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2024 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2024 Bonds, that the entire principal amount of the Series 2024 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2024 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2024 Bonds.

(c) The Underwriter confirms that it has offered the Series 2024 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2024 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2024 Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2024 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2024 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2024 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2024 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2024 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2024 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price,

including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds.

(f) The Underwriter acknowledges that sales of any Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2024 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2024 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2024 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2024 Bonds to the public),

(iii) a purchaser of any of the Series 2024 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter the Preliminary Limited Offering Memorandum, dated [____], 2024 (the "Preliminary Limited Offering Memorandum"), of the District, relating to the Series 2024 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") in connection with the limited offering of the Series 2024 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the use of the Preliminary Limited Offering Memorandum by the

Underwriter. The District shall deliver, or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date (as hereinafter defined) and in sufficient time to accompany any confirmation that requests payment from any customer such number of copies of the final Limited Offering Memorandum (the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda") as the Underwriter shall reasonably request to comply with the requirements of the Rule and all applicable rules of the Municipal Securities Rulemaking Board (the "MSRB"). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The Underwriter agrees that it will not confirm the sale of any Bonds unless a final written confirmation of sale is accompanied or preceded by the delivery of a copy of the Limited Offering Memorandum. The District hereby approves the circulation and use by the Underwriter of the Limited Offering Memoranda with respect to the Series 2024 Bonds.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Series 2024 Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, [_____, LLC, a Florida limited liability company] (the "Landowner"), and Governmental Management Services - Central Florida, LLC, a Florida limited liability company, as dissemination agent (the "Dissemination Agent"), the Trustee and the District Manager in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX E thereto (the "Disclosure Agreement") and the DTC Blanket Issuer Letter of Representations entered into by the District are referred to herein collectively as the "Financing Documents," and (b) [the Agreement Regarding the Completion of Certain Improvements by and between the District and the Landowner dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the Acquisition of Work Product, Improvements and Real Property by and between the District and the Landowner dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2024 Project by and between the District and the Landowner, dated as of the Closing Date in recordable form (the "Collateral Assignment"), the Agreement Regarding True-Up by and between the District and the Landowner dated as of the Closing Date in recordable form (the "True-Up Agreement"), and the Declaration of Consent by the Landowner in recordable form and dated as of the Closing Date (the "Declaration of Consent")] are collectively referred to herein as the "Ancillary Agreements."

6. Representations, Warranties and Agreements. The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District and the District is and will be on the Closing Date duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including, without limitation, the Act;

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolutions; (ii) enter into the Financing Documents and Ancillary Agreements; (iii) sell, issue and deliver the Series 2024 Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Series 2024 Bonds for the purposes described in the Limited Offering Memoranda; (v) authorize and acknowledge the use of the Limited Offering Memoranda and authorize the execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, and the Limited Offering Memoranda. The District has complied, and on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements and the Series 2024 Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolutions, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein and, with respect to the Bond resolution, as will be supplemented by the Supplemental Bond Resolution. Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto) the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms; subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) Except as may be expressly disclosed in the Preliminary Limited Offering Memorandum, the District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2024 Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the approval of the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Series 2024 Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2024 Bonds, the Financing Documents or the Ancillary Agreements;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Series 2024 Bonds, or under the Series 2024 Bonds, the Bond Resolution, the Assessment Resolutions, Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2024 Bonds;

(f) The descriptions of the Series 2024 Bonds, the Financing Documents, the Ancillary Agreements and the Series 2024 Project to the extent referred to in the Limited Offering Memoranda, conform in all material respects to the Series 2024 Bonds, the Financing Documents, the Ancillary Agreements and the Series 2024 Project, respectively;

(g) The Series 2024 Bonds, when issued, executed and delivered in accordance with the Indenture and when sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture and upon such issuance, execution and delivery of the Series 2024 Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Series 2024 Bonds, a legally valid and binding pledge of and first lien on the Series 2024 Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Series 2024 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) As of the date hereof, there is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2024 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of the Series 2024 Special Assessments or the pledge of and lien on the Series 2024 Pledged Revenues, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2024 Bonds, or the authorization of the Series 2024 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and Ancillary Agreements to which the District is a party, or the application of the proceeds of the Series 2024 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2024 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2024 Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2024 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2024 Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in

connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the date hereof the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE LANDOWNER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Landowner," "UNDERWRITING" and, with respect to the Landowner, as set forth under the caption "CONTINUING DISCLOSURE";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will be accurate in all material respects for the purposes for which their use is authorized and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE LANDOWNER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Landowner," "UNDERWRITING" and, with respect to the Landowner, as set forth under the caption "CONTINUING DISCLOSURE";

(l) If between the date of this Purchase Contract and the earlier of (i) the date that is ninety (90) days from the end of the "Underwriting Period" as defined in the Rule, or (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB's Electronic Municipal Market Access system (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense (unless such supplement or amendment is the direct result of information provided by the Landowner or Underwriter, then at the expense of said relevant person) supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District, except as disclosed in the Limited Offering Memoranda, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions, the Series 2024 Bonds, the Financing Documents

or the Ancillary Agreements, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District has not and is not now in default in the payment of the principal of or the interest on any governmental security issued or guaranteed by it after December 31, 1975 which would require the disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) The District has disclosed in the Preliminary Limited Offering Memorandum any failure in the previous five (5) years to comply, in all material respects, with any previous continuing disclosure obligations undertaken by the District in accordance with the continuing disclosure requirements of the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2024 Bonds), notes or other obligations payable from the Series 2024 Pledged Revenues.

B. RELIANCE

This opinion is solely for the benefit of the (i) District; (ii) Underwriter; and (iii) Trustee; however, the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1, C.2 and C.3. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, Florida Statutes (the "Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Series 2024 Bonds and the Bond Agreements; (b) to issue the Series 2024 Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Series 2024 Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Series 2024 Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indenture, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Series 2024 Bonds have been fulfilled.

4. **Validation** – The Series 2024 Bonds have been validated by a final judgment of the Circuit Court in and for Polk County, Florida, of which no timely appeals were filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Series 2024 Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of

the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments" (as to the first two paragraphs thereof), "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "THE DEVELOPMENT – Landowner Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Series 2024 Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – As the District's Registered Agent for service of process and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Series 2024 Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Series 2024 Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Series 2024 Bonds or the validity or enforceability of the Series 2024 Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Series 2024 Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Series 2024 Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Series 2024 Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake Series 2024 Project*** – The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Series 2024 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by

public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents. We have also assumed the legality and validity of the following Executive Orders of Governor DeSantis of the State of Florida: 2020-52 issued March 9, 2020 and 2020-69 issued March 20, 2020, as amended, extended and supplemented, respectively.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Series 2024 Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code. We express no opinion as to compliance with any state or federal tax laws.

5. We express no opinion and make no representations regarding financial information, statistical data, or assessment and benefit calculations.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Landowner is able to convey good and marketable title to any particular real property or interest therein and related to the Series 2024 Project.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.

8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts

Re: \$[_____] Pollard Road Community Development District Special Assessment Bonds,
 Series 2024 (the "Series 2024 Bonds")

Ladies and Gentlemen:

I am counsel to [_____, LLC, a Florida limited liability company] (the "Landowner"), which is the owner and developer of certain land located in City of Winter Haven, Florida, within Polk County, Florida, and being developed as a single-family residential community to be known as "[Creekview]," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Landowner in connection with the issuance by the Pollard Road Community Development District (the "District") of the above-referenced Bonds, as further described in the District's Preliminary Limited Offering Memorandum dated [_____] 2024 and the District's final Limited Offering Memorandum, dated [_____] 2024, including the appendices attached thereto (collectively, the "Limiting Offering Memoranda"). Capitalized terms not defined herein shall have the meaning set forth in the Limited Offering Memoranda.

It is my understanding that the Series 2024 Bonds are being issued for the purposes of: (i) providing funds to pay a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) funding a deposit to the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement, and (iii) paying the costs of issuance of the Series 2024 Bonds.

In my capacity as counsel to the Landowner, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Continuing Disclosure Agreement to be dated as of the Closing Date (the "Continuing Disclosure Agreement"), by and among the District, the Landowner, and Governmental Management Services – Central Florida, LLC, as dissemination agent, the Agreement Regarding the Completion of Certain Improvements by and between the District and the Landowner dated as of the Closing Date (the "Completion Agreement"), the Agreement Regarding the

Acquisition of Work Product, Improvements and Real Property by and between the District and the Landowner dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Series 2024 Project by and between the District and the Landowner dated as of the Closing Date (the "Collateral Assignment"), the Agreement Regarding True-Up by and between the District and the Landowner dated as of the Closing Date (the "True-Up Agreement"), and the Declaration of Consent to Jurisdiction of the District, Imposition of Special Assessments and Imposition of Lien of Record dated as of the Closing Date and executed by the Landowner (the "Declaration of Consent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined the Landowner's Operating Agreement dated as of [____], its Articles of Organization filed on [____], and a certificate of good standing issued by the State of Florida on _____, 2024 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Landowner) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of Landowner, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Landowner is a limited liability company organized and existing under the laws of the State of Florida.
2. The Landowner has the power to conduct its business and to undertake the funding of the development of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Landowner and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Landowner, enforceable in accordance with their respective terms.
4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE LANDOWNER," "LITIGATION – The Landowner," and "CONTINUING DISCLOSURE" (as it relates to the Landowner only) does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.
5. The execution, delivery and performance of the Documents by the Landowner do not violate (i) the operating agreement of the Landowner, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Landowner is a party or by which any of the Landowner's assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Landowner or its assets.

6. Nothing has come to my attention that would lead me to believe that the Landowner is not in compliance in all material respects with all provisions of applicable law in all material matters relating to such entity as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Landowner has not received all government permits, consents and licenses required in connection with the construction and completion of the development of the Series 2024 Project and the lands in the District as described in the Limited Offering Memoranda; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Landowner's ability to complete development of the Series 2024 Project and the lands in the District as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the lands in the District as described in the Limited Offering Memoranda will not be obtained in due course as required by the Landowner.

7. To the best of my knowledge after due inquiry, the levy of the Series 2024 Special Assessments on the applicable lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Landowner is a party or to which the Landowner or any of its property or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending which would prevent or prohibit the development of the Series 2024 Project or the lands in the District in accordance with the descriptions thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto or which may result in any material adverse change in the business, properties, assets or financial condition of the Landowner.

9. To the best of my knowledge after due inquiry, the Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Landowner is in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets are subject, which default would have a material adverse effect on the Series 2024 Bonds or the development of the Series 2024 Project or the lands in the District.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

NOT RATED

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and the continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2024 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes; and, further, interest on the Series 2024 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2024 Bonds. Bond Counsel is further of the opinion that the Series 2024 Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. The Series 2024 Bonds are being issued pursuant to the Act, Resolution No. 2022-26 and Resolution No. 2024-[] adopted by the Board of Supervisors (the "Board") of the District on March 8, 2022 and [April 24], 2024 (collectively, the "Resolution"), and a Master Trust Indenture dated as of [] 1, 2024 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of [] 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and the Trustee. Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2024 Bonds are payable from and secured solely by the Series 2024 Pledged Revenues. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

This Preliminary Limited Offering Memorandum and the information contained herein are subject to completion or amendment. Under no circumstances shall this Preliminary Limited Offering Memorandum constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of the Series 2024 Bonds in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration, qualification or exemption under the securities laws of such jurisdiction. The Series 2024 Bonds involve a degree of risk (see "BONDOWNERS' RISKS" herein) and are not suitable for all investors (see "SUITABILITY FOR INVESTMENT" herein). Pursuant to Florida law, the Underwriter (as defined herein) is limiting this offering to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. **POLLARD ROAD COMMUNITY DEVELOPMENT DISTRICT
(CITY OF WINTER HAVEN, FLORIDA)**

**[\$10,570,000]*
SPECIAL ASSESSMENT BONDS, SERIES 2024**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover and appendices hereto, is to provide certain information in connection with the issuance and sale by Pollard Road Community Development District (the "District" or the "Issuer") of its \$[10,570,000]* aggregate principal amount of Special Assessment Bonds, Series 2024 (the "Series 2024 Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE SERIES 2024 BONDS. THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. See "SUITABILITY FOR INVESTMENT" and "BONDOWNERS' RISKS" herein.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. O-22-16 duly enacted by the City Commission of the City of Winter Haven, Florida (the "City") on February 28, 2022 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District encompasses approximately 111.94 gross acres of land (the "District Lands"), located within the incorporated boundaries of the City within Polk County, Florida (the "County"). For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein.

The District Lands are planned to contain a planned residential community to be marketed under the name ["Creekview"] (the "Development"). At buildout, the Development is planned to contain 422 single-family homes and recreation and amenity areas (the "Series 2024 Project"). The Development is

* Preliminary, subject to change.

generally located in southeast Winter Haven, south of 4th Street E, east of Riffle Range Road, and west of Pollard Road. See "THE DEVELOPMENT" herein for more information.

The public infrastructure improvements associated with developing the District Lands (as further defined herein, the "Series 2024 Project") are being installed in a single phase. The Series 2024 Bonds are being issued to finance a portion of the Series 2024 Project. See "THE SERIES 2024 PROJECT" herein for more information. The Series 2024 Bonds will be secured by the Series 2024 Special Assessments (as defined herein), which will initially be levied on all of the 111.94 gross acres within the District (also referred to herein as the "Series 2024 Assessment Area"). As lots are platted, the Series 2024 Special Assessments will be assigned to the 422 lots planned for the Development on a first platted, first assigned basis as set forth in the Assessment Methodology (as defined herein). See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto for more information regarding the Series 2024 Special Assessments.

[_____] , LLC, a Florida limited liability company] (the "Landowner"), owns the land within the District. The Landowner will the public infrastructure improvements associated with the Development and will sell developed lots to third-party homebuilders. See "THE LANDOWNER" herein for more information. The Landowner has entered into contracts with [D.R. Horton and Casa Fresca] (collectively, the "Builders") for all 422 lots planned within the Development, as follows: [(i) D.R. Horton (as defined herein) for the sale of 211 developed lots in a single bulk take upon development completion, and (ii) Casa Fresca (as defined herein) for the sale of 211 developed lots in a single bulk take shortly after issuance of the Series 2024 Bonds]. See "THE DEVELOPMENT – Builder Contracts" herein for more information.

The Series 2024 Bonds are being issued pursuant to the Act, Resolution No. 2022-26 and Resolution No. 2024-[] adopted by the Board of Supervisors (the "Board") of the District on March 8, 2022 and [April 24], 2024 (collectively, the "Resolution"), and a Master Trust Indenture dated as of [] 1, 2024 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as [] 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2024 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) funding a deposit to the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement (each as defined herein) and (iii) paying the costs of issuance of the Series 2024 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2024 Bonds are payable from and secured solely by the Series 2024 Pledged Revenues. The Series 2024 Pledged Revenues for the Series 2024 Bonds consist of (a) all revenues received by the District from the Series 2024 Special Assessments levied and collected on the assessable lands within the Series 2024 Assessment Area, benefited by the Series 2024 Project, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture, created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that the Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of

Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Set forth herein are brief descriptions of the District, the Development, the Series 2024 Project, the Landowner and the Builders, together with summaries of terms of Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act, and all references to the Series 2024 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. Proposed forms of the Master Indenture and the First Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2024 BONDS

General Description

The Series 2024 Bonds will be dated the date, will bear interest at the rates per annum (computed on the basis of a 360-day year consisting of twelve 30-day months) and, subject to the redemption provisions set forth below, will mature on the dates and in the amounts set forth on the inside cover pages of this Limited Offering Memorandum. Interest on the Series 2024 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Interest on the Series 2024 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to [November 1, 2024], in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. U.S. Bank Trust Company, National Association is the initial Trustee, Paying Agent and Registrar for the Series 2024 Bonds.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof provided, except as otherwise provided in the Indenture. The Series 2024 Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2024 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

Upon initial issuance, the Series 2024 Bonds shall be issued as one fully registered bond for each maturity of Series 2024 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants. As long as the Series 2024 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible

for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2024 Bonds ("Beneficial Owners"). Principal and interest on the Series 2024 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2024 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2024 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2024 Bonds may be exchanged for an equal aggregate principal amount of such Series 2024 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "- Book-Entry Only System" herein.

Redemption Provisions

Optional Redemption

The Series 2024 Bonds maturing after May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2024 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2024 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

- (i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account following the payment in whole or in part of Series 2024 Special Assessments on any assessable property within the Series 2024 Assessment Area in

accordance with the provisions of the First Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount as a result of such Series 2024 Prepayment and pursuant the First Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level;

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts held by the Trustee within the First Supplemental Indenture (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Accounts) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture;

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture, not otherwise reserved to complete the Series 2024 Project and transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the First Supplemental Indenture, as a result of the reduction of the Series 2024 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Notice of Redemption

When required to redeem or purchase Series 2024 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2024 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2024 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2024 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A

of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2024 Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Series 2024 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2024 Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Series 2024 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2024 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2024 Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS

General

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2024 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2024 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds are payable from and secured solely by the Series 2024 Pledged Revenues. The Series 2024 Pledged Revenues for the Series 2024 Bonds consist of (a) all revenues received by the District from the Series 2024 Special Assessments (as defined herein) levied and collected on the assessable lands within the Series 2024 Assessment Area, benefited by the Series 2024 Project, including without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture, created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that the Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act, for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3), of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses of (A), (B) and (C) of this proviso).

The "Series 2024 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within the District specially benefited by the Series 2024 Project, or any portions thereof, pursuant to Section 190.022 of the Act, Chapters 170 and 197, Florida Statutes, and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but constitute a lien against the land as to which the Series 2024 Special Assessments are imposed, including homestead property as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Special Assessments will constitute a lien against the land as to which the Series 2024 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Series 2024 Special Assessments will initially be levied on the approximately 111.94 gross acres of land within the Series 2024 Assessment Area, which consists of all of the District Lands. The Series 2024 Assessment Area is planned for 422 residential units.

The Series 2024 Special Assessments are levied in an amount corresponding to the debt service on the Series 2024 Bonds on the basis of benefit received by the assessable lands within the District as a result of the Series 2024 Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2024 Special Assessments to the assessable lands within the District is included as APPENDIX D attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2024 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2024 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2024 Special Assessment from any legally available moneys, which shall be deposited into the Series 2024 Revenue Account. In the case such second Series 2024 Special Assessment shall be annulled, the District shall obtain and make other Series 2024 Special Assessments until a valid Series 2024 Special Assessment shall be made.

Prepayment of Series 2024 Special Assessments

The Assessment Proceedings provide that an owner of property subject to the Series 2024 Special Assessments may prepay the entire remaining balance of such Series 2024 Special Assessments at any time, or a portion of the remaining balance of such Series 2024 Special Assessment one time, if there is also paid, in addition to the prepaid principal balance of the Series 2024 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2024 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2024 Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2024 Special Assessments may pay the entire balance of the Series 2024 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2024 Project has been completed, and the Board has adopted a resolution accepting the Series 2024 Project pursuant to Chapter 170.09, Florida Statutes. The Landowner, as the sole owner of the assessable property within the District, will waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2024 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2024 Special Assessments by property owners.

Additional Obligations

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations secured by Special Assessments on the assessable lands within the District that are subject to the Series 2024 Special Assessments, until such time as the Series 2024 Special Assessments are Substantially Absorbed or the Majority Holder has consented in writing. "Substantially Absorbed" means the date at least ninety percent (90%) of the principal portion of the Series 2024 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2024 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the District

from issuing refunding Bonds or any Bonds or other debt obligations secured by Special Assessments levied on District Lands not subject to the Series 2024 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2024 Project.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Special Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Special Assessments on the same lands upon which the Series 2024 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Account

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account." Net proceeds of the Series 2024 Bonds shall initially be deposited into the Series 2024 Acquisition and Construction Account in the amounts set forth in the First Supplemental Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2024 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 (each as defined below) as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in the Indenture, and by the District as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2024 Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Series 2024 Project, subject to the First Supplemental Indenture. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement, as applicable and as calculated by the District, which District shall be responsible for certifying to the Trustee in writing that such Reserve Release Conditions #1 or Reserve Release Conditions #2 were satisfied, shall then be transferred by the Trustee to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon the District Manager consulting with the Consulting Engineer, and applied as provided in the First Supplemental Indenture. The Trustee shall have no duty to review if either Reserve Release Conditions #1 or Reserve Release Conditions #2 have been satisfied. See " – Reserve Account" herein for more information.

Following the Completion Date for the Series 2024 Project, all moneys remaining in the Series 2024 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2024 General Redemption Subaccount, as directed in writing by the District Manager, on behalf of the District to the Trustee to be applied as provided in the First Supplemental Indenture. Notwithstanding the foregoing, the Series 2024 Acquisition and Construction Account shall not be closed until the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2024 Reserve Account shall have been

transferred to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with the First Supplemental Indenture. The Trustee shall not be responsible for determining the amounts in the Series 2024 Acquisition and Construction Account allocable to the Series 2024 Project or any transfers made to such Accounts in accordance with direction from the District Manager as provided for in the First Supplemental Indenture.

The Trustee shall make no such transfer from the Series 2024 Acquisition and Construction Account to the Series 2024 General Redemption Subaccount if an Event of Default exists with respect to the Series 2024 Bonds of which the Trustee has actual knowledge as described in Section 11.06 of the Master Indenture. Except as provided in the First Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached as an exhibit thereto, shall the Trustee withdraw moneys from the Series 2024 Acquisition and Construction Account therein. After no funds remain in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

The District will acknowledge in the First Supplemental Indenture that, anything in the Indenture to the contrary notwithstanding, the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2024 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture, provided, however notwithstanding anything in the First Supplemental Indenture to the contrary the Trustee is also authorized to utilize the Series 2024 Pledged Revenues to pay fees and expenses as provided in the Master Indenture.

Reserve Account

The Indenture establishes a separate account within the Debt Service Reserve Fund solely for the benefit of the Series 2024 Bonds designated as the "Series 2024 Reserve Account." Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided in the Indenture.

"Series 2024 Reserve Requirement" or "Reserve Requirement" shall mean (i) initially, an amount equal to the maximum annual debt service on the Series 2024 Bonds as calculated from time to time; (ii) upon the occurrence of the Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Series 2024 Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Series 2024 Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, such excess amount shall be released from the Series 2024 Reserve Account and transferred to the Series 2024 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture. For the purpose of calculating the Series 2024 Reserve Requirement, maximum annual debt service, fifty percent (50%) of the maximum annual debt service, or ten percent (10%) of the maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption described in the First Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2024 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2024 General Redemption Subaccount or the Series 2024 Prepayment Subaccount as applicable, in accordance with the provisions of the First Supplemental Indenture. Amounts on deposit in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding

Series 2024 Bonds be used to pay principal of and interest on the Series 2024 Bonds at that time. Initially, the Series 2024 Reserve Requirement shall be equal to \$ _____.

"Reserve Release Conditions #1" shall mean collectively (i) all of the Outstanding principal amount of the Series 2024 Special Assessments shall have been assigned to lots that have been developed, platted and conveyed to homebuilders, and (ii) there shall be no Events of Default under the Series 2024 Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all of the Outstanding principal portion of the Series 2024 Special Assessments has been assigned to homes that have received a certificate of occupancy, and (iii) there shall be no Events of Default under the Series 2024 Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant in the Indenture not to substitute the cash and Investment Securities on deposit in the Series 2024 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 or, if such date is not a Business Day, on the Business Day next preceding such day, the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Series 2024 Reserve Requirement for the Series 2024 Bonds caused by investment earnings to the Series 2024 Acquisition and Construction Account and if such Account is closed, to the Series 2024 Revenue Account in accordance with the Indenture.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall, or shall cause the District Manager on behalf of the District to calculate, the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the Series 2024 Reserve Requirement for the Series 2024 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds, to the Series 2024 General Redemption Subaccount, if as a result of the application of the provisions of the Master Indenture with respect to Events of Default, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount as

designated in a requisition in the form attached as an exhibit to the First Supplemental Indenture to the District submitted by the Series 2024 Landowner (as defined in the First Supplemental Indenture) within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Landowner can establish, to the satisfaction of the Consulting Engineer, Costs of the Series 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the Landowner, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #2, such excess moneys in the Series 2024 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2024 General Redemption Subaccount and applied to the redemption of Series 2024 Bonds as provided in the First Supplemental Indenture.

In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2024 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2024 Revenue Account to round up to the amount in the Series 2024 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be made to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to the First Supplemental Indenture if as a result the deposits required under the First Supplemental Indenture cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Series 2024 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2024 Bonds and such amount has not been restored within ninety (90) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall establish a separate account with the Revenue Fund designated as the "Series 2024 Revenue Account." Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the District to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account and applied as set forth in the Indenture. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing [November 1, 2024], to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20[___], to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Requirement for the Series 2024 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless needed to be transferred to the Series 2024 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2024 Bond subject to extraordinary mandatory redemption pursuant to the First Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2024 Reserve Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Master Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, (a) the Series 2024 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (as defined below) are collectively

referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District has agreed in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District has agreed in the Master Indenture that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) the Trustee shall have the right, but is not obligated to, (i) to the extent permitted by law, vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2024 Bonds:

(a) if payment of any installment of interest on any Series 2024 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2024 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2024 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2024 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if, at any time after eighteen months following issuance of the Series 2024 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2024 Special Assessments are levied to secure the Series 2024 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2024 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2024 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2024 Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds will be redeemed or if 100% of the Holders of the Series 2024 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2024 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2024 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2024 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2024 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders of the Series 2024 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2024 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the collection of Series 2024 Special Assessments imposed on certain assessable lands within the District specially benefited by the Series 2024 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2024 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Polk County Tax Collector ("Tax Collector") or the Polk County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Special Assessments during any year. Such delays in the collection of Series 2024 Special Assessments, or complete inability to collect the Series 2024 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2024 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Special Assessments to be valid, the Series 2024 Special Assessments must meet two requirements: (1) the benefit from the Series 2024 Project to the lands subject to the Series 2024 Special Assessments must exceed or equal the amount of the Series 2024 Special Assessments, and (2) the Series 2024 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant will certify that these requirements have been met with respect to the Series 2024 Special Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2024 Special Assessments through a variety of methods. Initially, and for unplatted lots or lands, the District will directly issue annual bills to landowners requiring payment of the Series 2024 Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed and platted, the Series 2024 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method unless the District determines that it is in its best interest to collect directly, subject to the terms of the Indenture. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Special Assessments and the ability to foreclose the lien of such Series 2024 Special Assessments upon the failure to pay such Series 2024 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2024 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Special Assessments will be collected together with the City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2024 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest,

which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is

purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Special Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

Concentration of Land Ownership

As of the date hereof, the Landowner owns all of the assessable lands within the District, which are the lands that will be subject to the Series 2024 Special Assessments securing the Series 2024 Bonds. Payment of the Series 2024 Special Assessments is primarily dependent upon their timely payment by the Landowner and the other future landowners in the District. Non-payment of the Series 2024 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2024 Bonds. See "THE LANDOWNER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowner or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowner and any other landowner to pay the Series 2024 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Special Assessments and the ability of the District to foreclose the lien of the Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2024 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Special Assessments. The Series 2024 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowner or subsequent landowners will be able to pay the Series 2024 Special Assessments or that they will pay such Series 2024 Special Assessments even though financially able to do so. Neither the Landowner nor any other subsequent landowners have any personal obligation to pay the Series 2024 Special Assessments. Neither the Landowner nor any subsequent landowners are guarantors of payment of any Series 2024 Special Assessments, and the recourse for the failure of the Landowner or any subsequent landowner to pay the Series 2024 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2024 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2024 Special Assessments may ultimately depend on the market value of the land subject to the Series 2024 Special Assessments. While the ability of the Landowner or subsequent landowners to pay the Series 2024 Special

Assessments is a relevant factor, the willingness of the Landowner or subsequent landowners to pay the Series 2024 Special Assessments, which may also be affected by the value of the land subject to the Series 2024 Special Assessments, is also an important factor in the collection of Series 2024 Special Assessments. The failure of the Landowner or subsequent landowners to pay the Series 2024 Special Assessments could render the District unable to collect delinquent Series 2024 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of the District Lands and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2024 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the District Lands.

The value of the lands subject to the Series 2024 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of the District Lands and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowner. Moreover, the Landowner has

the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2024 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2024 Special Assessment, even though the landowner is not contesting the amount of the Series 2024 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2024 Bonds

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2024 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2024 Bonds because of the Series 2024 Reserve Account. The ability of the Series 2024 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2024 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the

Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Series 2024 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2024 Special Assessments, the Series 2024 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2024 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Special Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Reserve Account" herein for more information about the Series 2024 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2024 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2024 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and

there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Landowner will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Landowner does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related

penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2024 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing

the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Series 2024 Project will exceed the net proceeds from the Series 2024 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2024 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2024 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" for more information.

Although the Landowner will agree to fund or cause to be funded the completion of the Series 2024 Project regardless of the insufficiency of proceeds from the Series 2024 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Landowner will have sufficient resources to do so. Such obligation of the Landowner is an unsecured obligation[, and the Landowner is a special-purpose entity whose assets consist primarily of its interest in the District Lands]. See "THE LANDOWNER" herein for more information.

There are no assurances that the Series 2024 Project and any other remaining development work associated with the District Lands will be completed. Further, there is a possibility that, even if the District Lands are developed, the Builders may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in the District. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Builder Contracts" herein for more information about the Builders and the Builder Contracts.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowner, the timely and successful completion of the Development, the purchase of lots therein by the Builders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational

disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2024 Special Assessments by the Landowner or subsequent owners of the property within the District. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions," "– Purchase of Series 2024 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments" herein for more information.

Payment of Series 2024 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government created in accordance with the Act. The District was established under Ordinance No. O-22-16, which was enacted by the City on February 28, 2022. The District encompasses approximately 111.94 gross acres of land located within the incorporated municipal boundaries of the City. The District Lands are situated south of 4th Street E, east of Riffle Range Road, and west of Pollard Road. The District Lands are being developed as a planned residential community to be marketed under the name "[Creekview]" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

Name	Title	Term Expires
Warren "Rennie" Heath II*	Chair	November 2026
Lauren Schwenk*	Vice-Chair	November 2026
Chuck Cavaretta*	Assistant Secretary	November 2024
Jessica Kowalski*	Assistant Secretary	November 2024
Bobbie Henley*	Assistant Secretary	November 2024

* Elected by the landowners; employee of or affiliated with the Landowner or its affiliates.

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority: (a) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, (iv) conservation areas, mitigation areas, and wildlife habitat, (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) to borrow money and issue bonds of the District; (c) to impose and foreclose special assessments liens as provided in the Act; and (d) to exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(2)(a) and (d) of the Act. Such special powers include, but are not limited to, the right to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain additional systems and facilities for (i) parks and facilities for indoor and outdoor recreational, cultural and

educational uses; and (ii) security, including, but not limited to, guardhouses, fences and gates, electronic intrusion-detection systems, and patrol cars, when authorized by proper governmental agencies.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances or to grant building permits; these functions are performed by the City and the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Governmental Management Services – Central Florida, LLC, serves as District Manager. The District Manager's corporate office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Kilinski | Van Wyk PLLC, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel; and Governmental Management Services – Central Florida, LLC, Orlando, Florida, serves as Methodology Consultant for the Series 2024 Bonds.

No Outstanding Bond Indebtedness

The District has not previously issued any bonds or other similar debt obligations.

Land development associated with the Development is expected to commence in [May 2024] and is expected to be completed by _____. As of [_____], 2024, approximately \$[_____] has been spent by the Landowner toward soft costs associated with the development of the Development. See "THE DEVELOPMENT – Development Plan and Status" and "–Land Acquisition and Finance Plan" herein for more information.

The net proceeds of the Series 2024 Bonds will be available in the approximate amount of \$9.4 million* to finance construction and/or acquisition of a portion of the Series 2024 Project. The Landowner will enter into a completion agreement at closing on the Series 2024 Bonds whereby it will agree to complete the Series 2024 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District Engineer has indicated that all engineering permits necessary to construct the Series 2024 Project as set forth in the Engineer's Report have been obtained or are expected to be obtained in the ordinary course of development. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" herein for a more detailed description of the entitlement and permitting status of the Development.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Assessment Methodology for Pollard Road Community Development District, dated March 8, 2022, as supplemented by the Preliminary Supplemental Assessment Methodology for Pollard Road Community Development District, dated as of April 24, 2024 (collectively, the "Assessment Methodology"), which allocates the Series 2024 Special Assessments to the lands within the District, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. A copy of the Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2024 Bonds are determined, the Assessment Methodology will be further supplemented to reflect such final terms. Once levied and imposed, the Series 2024 Special Assessments are a first lien on the assessed lands within the District until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2024 Bonds are payable from and secured by a pledge of the Series 2024 Pledged Revenues, which consist primarily of revenues received by the District from the Series 2024 Special Assessments levied on the assessed lands within the District. The District consists of approximately 111.94 gross acres planned for 422 single-family homes. The District will initially impose the Series 2024 Special Assessments across all of the lands within the District on an equal per acre basis. As parcels are platted within the District, the debt will be transferred from gross acres to platted lots in accordance with the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information.

Assuming full platting of the District Lands, the estimated Series 2024 Special Assessments levied and allocated to platted units to pay debt service on the Series 2024 Bonds and the estimated Series 2024 Bond par per unit are expected to be as follows:

Product	# of Units Planned	Net Annual Series 2024 Special Assessment*	Series 2024 Bonds Total Par Per Unit*
Single Family	211	\$1,650	\$22,960
Single Family	<u>211</u>	\$1,950	\$27,135
Total	422		

* Preliminary, subject to change. Annual assessments collected via the Uniform Method will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate. The assessment levels reflected above recognize landowner contributions of infrastructure in order to achieve target assessment levels.

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$1,050 per unit annually, but such amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the District in 2023 was approximately 18.8875 mills. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2023. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE LANDOWNER" has been furnished by the Landowner for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Landowner makes any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Landowner as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Landowner is not guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments.

THE DEVELOPMENT

General Overview

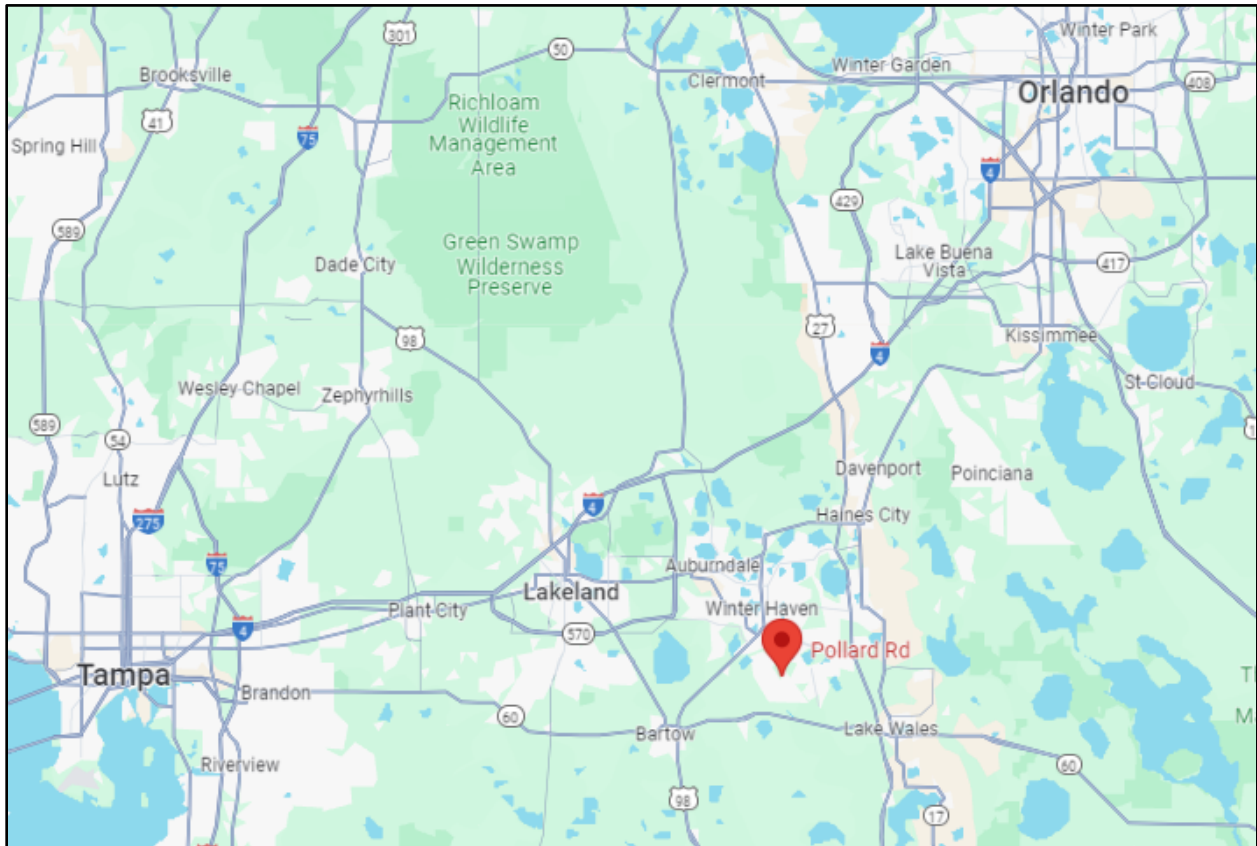

The District encompasses approximately 111.94 gross acres located in the City of Winter Haven (the "City") within Polk County, Florida (the "County"). The District Lands are planned to contain a master-planned community to be marketed under the name ["Creekview"] (the "Development"). At buildout, the Development is planned to contain 422 single-family homes and recreation and amenity areas.

The Development is generally located in southeast Winter Haven, south of 4th Street E, east of Riffle Range Road, and west of Pollard Road. The surrounding area is a densely populated infill area with a range of housing options, from entry-level to higher-end homes in the area of southern Winter Haven's interconnected chain of lakes. The immediate area has numerous retail establishments and businesses, most notably the regional headquarters of State Farm. Major employers in the area include State Farm, LEGOLAND, the Polk County Sheriff's Office and BayCare.

The Development is centrally located between Tampa and Orlando, between U.S. Highway 17 and U.S. Highway 27, with access to Interstate 4. Development residents will have access to Central Florida attractions such as Walt Disney World Resort and LEGOLAND Florida. Due to its proximity to Tampa and Orlando, the Development serves as a "bedroom community" to those markets, offering price points substantially below that of similarly sized homes in those markets. Nearby communities include Lennar at Peace Creek Reserve to the south, Lennar at Ranches at Lake McLeod to the west, and VillaMar to the east, the latter of which is being developed by an affiliate of the Landowner.

[Remainder of page intentionally left blank.]

Set forth below is a map showing the general location of the Development.

The Series 2024 Bonds are being issued to finance a portion of the Series 2024 Project. The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which will initially be levied on the 111.94 acres within the District. As lots are platted, the Series 2024 Special Assessments will be assigned to the 422 lots planned for the Development on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" attached hereto for more information.

The land in the District is owned by [Highland Cassidy], LLC, [a Florida limited liability company] (the "Landowner"). See "THE LANDOWNER" herein for more information. The Landowner will install master and onsite parcel infrastructure improvements associated with the Development and has entered into builder contracts for the sale of all 422 lots planned within the Development as follows: [(i) with D.R. Horton (as defined herein) for the sale of 211 developed lots to be delivered in a single bulk takedown upon development completion (the "Horton Contract") and (ii) with Casa Fresca (as defined herein, and together with D.R. Horton, the "Builders") for the sale of 211 permitted, undeveloped lots to be delivered in a single bulk take shortly after the issuance of the Series 2024 Bonds (the "Casa Fresca Contract" and, collectively, the "Builder Contracts").] See " – The Builders and the Builder Contracts" herein for more information.

The Development is expected to consist entirely of single-family detached homes. Homes will range in size from [_____] square feet to [_____] square feet with prices ranging from [\$____,000 to \$____,000]. See " – Residential Product Offerings" herein.

Land Acquisition and Finance Plan

The Landowner acquired title to the lands within the Development in [2006] for a total purchase price of \$[1.79 million], paid in the form of [an unsecured purchase money promissory note in the amount of _____] (the "Note"). The Note bears interest at a fixed rate of [_____] % per annum and has a final maturity of [_____].

The Landowner estimates the total land development cost associated with the 422 lots planned for the Development is expected to be approximately \$[_____]. [Please describe any additional costs not included in the engineer's report, if any: _____] As of [_____], the Landowner has incurred approximately \$[_____] in soft costs associated with the Development. Net proceeds of the Series 2024 Bonds will be available in the approximate amount of \$9.4 million* to fund the acquisition and/or construction of the Series 2024 Project. The Landowner will enter into a completion agreement at closing on the Series 2024 Bonds whereby it will agree to complete the Series 2024 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development associated with the Development is expected to commence in [May 2024] and will be completed in a single phase, with completion expected by [_____], at which point lots will be delivered to D.R. Horton, and both of the Builders will subsequently commence home sales and vertical construction. A final plat for the 422 lots planned for the Development is expected to be recorded by [_____]. [Is CLD developing Casa Fresca lots?]

The Landowner anticipates that the Builders will commence closings with homebuyers by [_____]. Based on sales at nearby communities, the Landowner expects that homes will be closed with residential end users at the rate of approximately [_____] homes per year until buildout. These anticipated absorption rates are based upon estimates and assumptions made by the Landowner that are inherently uncertain, though considered reasonable by the Landowner, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Landowner. As a result, there can be no assurance such absorption rates will occur or be realized in the timeframes anticipated.

Builder Contracts

The Landowner has entered into contracts with D.R. Horton and Casa Fresca (collectively, the "Builders") for all 422 lots planned within the Development. The total expected consideration from the Builder Contracts for all 422 lots, including additional compensation paid upon Builder closings with end users, is expected to be approximately \$[_____], as further described below.

The Builder Contracts are summarized in the chart below. For more detailed information regarding each Builder Contract, see the discussion below.

* Preliminary, subject to change.

Builder	# of Lots	Deposit	Price	Closing
D.R. Horton	212	\$ _____	Aggregate base price of \$ _____ (\$ _____ / lot), plus additional consideration est. at \$ _____ / lot upon sale to third parties	Single takedown of 212 finished lots upon development completion.
Casa Fresca	212	\$ _____	Aggregate base price of \$ _____ (\$ _____ / lot), plus additional consideration est. at \$ _____ / lot upon sale to third parties	Single takedown of undeveloped, permitted land planned for 212 lots shortly after issuance of the Series 2024 Bonds.

[terms to come]

None of the Builders nor any of the other entities listed above are guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments. None of the entities listed herein, other than the Landowner, has entered into any agreements in connection with the issuance of the Series 2024 Bonds.

Residential Product Offerings

The target market for homebuyers within the Development include first time homebuyers and move-up buyers. The following table reflects the Landowner's current expectations for the homes to be constructed in the Development, all of which are subject to change:

Product	Est. Home Sizes (sf)	Bedrooms / Bathrooms	Expected Starting Home Price
Single-Family	_____ - _____	___ / ___ - ___ / ___	\$ _____

Development Approvals

[The District Engineer has certified that all permits and approvals for the Development by jurisdictional agencies to allow for the development contemplated herein have been received or are expected to be received in the ordinary course. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX A: ENGINEER'S REPORT" hereto.]

Environmental

A Phase I Environmental Site Assessment was performed on a portion of the District Lands in January 2006 (the "ESA"). The ESA did not detect any evidence of any recognized environmental conditions ("RECs") on the subject property. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein or more information.

Utilities

The City of Winter Haven will provide water and sewer service to the Development. [Duke] Energy will provide electrical service to the Development. See "APPENDIX A: ENGINEER'S REPORT" attached hereto for more information regarding the ownership and maintenance of utilities within the Development.

Taxes, Fees and Assessments

The Series 2024 Bonds are payable from and secured by a pledge of the Series 2024 Pledged Revenues, which consist primarily of revenues received by the District from the Series 2024 Special Assessments levied on the assessed lands within the District. The District consists of approximately 111.94 gross acres planned for 422 single-family homes. The District will initially impose the Series 2024 Special Assessments across all of the lands within the District on an equal per acre basis. As parcels are platted within the District, the debt will be transferred from gross acres to platted lots in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" for more information.

Assuming full platting of the District Lands, the estimated Series 2024 Special Assessments levied and allocated to platted units to pay debt service on the Series 2024 Bonds and the estimated Series 2024 Bond par per unit are expected to be as follows:

Product	# of Units Planned	Net Annual Series 2024 Special Assessment*	Series 2024 Bonds Total Par Per Unit*
Single Family	211	\$1,650	\$22,960
Single Family	<u>211</u>	\$1,950	\$27,135
Total	422		

* Preliminary, subject to change. Annual assessments collected via the Uniform Method will be subject to a gross up to account for estimated County collection costs/payment discounts, which may fluctuate. The assessment levels reflected above recognize landowner contributions of infrastructure in order to achieve target assessment levels.

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$1,050 per unit annually, but such amount is subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to be \$[] per residential lot annually, which amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2023 was approximately 18.8875 mills. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2023.

Amenities

The Development will contain an approximately []-acre recreation area containing a pool, pavilion with restrooms, parking area, tot lot, dog park, walking trails and all-purpose play field (collectively, the "Amenities"). Construction of the Amenities is expected to commence in the [] and is expected to be completed by [], at a cost of approximately \$3.244 million, which is included within the Series 2024 Project. The Amenities will be owned and operated by the District upon completion.

Education

The public schools for children residing in the Development are expected to be [], [], and [], which are located approximately [] miles, [] miles, and [] miles

from the Development, respectively, and which were rated [], [] and [], respectively, by the Florida Department of Education in 2023. The Polk County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The Development is located in southeastern Winter Haven and is expected to compete with projects in the Winter Haven area, including [VillaMar, Lennar at Peace Creek Reserve, Peace Creek Village, Lennar at Ranches at Lake McLeod, Chestnut Creek, Eagle Landing, Inman Grove, and Lake Lucerne. The Development is also expected to compete with projects in the County market generally, which include Cascades, Citrus Landing, Citrus Pointe, Citrus Reserve, Forest Lake, Hammock Reserve Horse Creek at Crosswinds, Scenic Terrace, and Tradewinds]. [please add/remove as necessary] The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Landowner Agreements

The Landowner will enter into a completion agreement that will obligate the Landowner to complete any portions of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

In addition, the Landowner will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Landowner will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Landowner, development rights relating to the Series 2024 Project. That said, any mortgagees or Builders may have certain development rights and other rights assigned to it under the terms of their mortgage or Builder Contract relating to the Development, which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the Landowner's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Series 2024 Project or the development of the District Lands.

Finally, the Landowner will also enter into True-Up Agreements in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in the Development increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowner are unsecured obligations[, and the Landowner is a special-purpose entity whose assets consist primarily of its interests in the Development]. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE LANDOWNER" herein for more information regarding the Landowner.

Neither the Landowner nor any of the other entities listed above are guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments. None of the entities listed herein, other than the Landowner, has entered into any agreements in connection with the issuance of the Series 2024 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District [and the Landowner], and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when

computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, or adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Series 2024 Project funded by the Series 2024 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL STATEMENTS

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2024. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended [February 29, 2024]. The District does not have audited financial statements because the District has not yet met the threshold under State law requiring an audit. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Landowner

The Landowner has represented in connection with the Series 2024 Bond issuance that there is no litigation of any nature now pending or, to the knowledge of the Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Landowner to complete the development of the District Lands or the Series 2024 Project as described herein, materially and adversely affect the ability of the Landowner to pay the Series 2024 Special Assessments imposed against the District Lands or materially and adversely affect the ability of the Landowner to perform its obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2024 Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Landowner will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX E, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and the Rule. The District will appoint Governmental Management Services – Central Florida, LLC, as the dissemination agent in the Disclosure Agreement.

[The Landowner has previously entered into continuing disclosure undertakings pursuant to the Rule, with respect to certain bonds issued by other community development districts. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the Landowner were not filed or were not timely filed and that notice of such missed and late filings was not provided. In addition certain prior filings did not contain all required information in the required format.

The Landowner anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings, including the Disclosure Agreement, and the Rule.]

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as described in the *Pollard Road Community Development District Supplemental Engineer’s Report* dated April 8, 2024, (the “Engineer’s Report”), attached to this Agreement as **Exhibit B**, and the estimated costs of the Improvements, (the “Series 2024 Project”), are identified therein; and

WHEREAS, the District intends to finance a portion of the Series 2024 Project, through the anticipated issuance of its Pollard Road Community Development District Special Assessment Bonds, Series 2024 (Series 2024 Project), in the principal amount of \$10,570,000 (the “Series 2024 Bonds”); and

WHEREAS, pursuant to Resolution Nos. 2022-27, 2022-28, 2022-35 and 2024-__ the “Assessment Resolutions”) the District imposed special assessments on the District Lands (the “Series 2024 Special Assessments”) within the District to secure the repayment of the Series 2024 Bonds, including interest thereon; and

WHEREAS, Landowner agrees that all developable District Lands subject to the Series 2024 Special Assessments benefit from the timely design, construction, or acquisition of the Series 2024 Project; and

WHEREAS, Landowner agrees that the Series 2024 Special Assessments which were imposed on the District Lands within the District, have been validly imposed and constitute valid, legal, and binding liens upon the District Lands, which Series 2024 Special Assessments remain unsatisfied; and

WHEREAS, to the extent permitted by law, Landowner waives any defect in notice or publication or in the proceedings to levy, impose and collect the Series 2024 Special Assessments on the District Lands within the District; and

WHEREAS, the *Master Assessment Methodology for Pollard Road Community Development District*, dated March 8, 2022 (the “**Master Methodology**”), as supplemented by the *Supplemental Assessment Methodology for Pollard Road*, dated April 24, 2024 (together with the Master Methodology, the “Assessment Report”), provides that as the District Lands are platted or re-platted, the allocation of the amounts assessed to and constituting a lien upon District Lands within the District would be allocated and calculated based upon certain density assumptions relating to the number of each lot type to be constructed on the District Lands within the District, which assumptions were provided by Landowner; and

WHEREAS, Landowner intends that the District Lands within the District will be platted, planned, and developed based on then-existing market conditions, and the actual densities developed may be at some density less than the densities assumed in the District's Assessment Report; and

WHEREAS, the District's Assessment Report anticipates a mechanism by which Landowner shall, if required, make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to the recording of any plat or site plan for a parcel or tract, as described in the District's Assessment Report (which payments shall collectively be referenced as the “True-Up Payment”); and

WHEREAS, Landowner and the District desire to enter into an agreement to confirm Landowner's intention and obligation, if required, to make the True-Up Payment related to the

Series 2024 Special Assessments on the District Lands, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. RECITALS. The recitals stated above are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. COVENANTS.

A. The provisions of this Agreement shall constitute a covenant running with District Lands, which lands are described herein in **Exhibit A**, and shall remain in full force and effect and be binding upon Landowner, its heirs, legal representatives, estates, successors, grantees, and assigns until released pursuant to the terms herein.

B. Landowner agrees that to the extent Landowner fails to timely pay all Series 2024 Special Assessments on the District Lands collected by mailed notice of the District, said unpaid Series 2024 Special Assessments (including True-Up Payments), may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year.

SECTION 3. SPECIAL ASSESSMENT REALLOCATION.

A. *Assumptions as to the Series 2024 Special Assessments.* As of the date of the execution of this Agreement, Landowner has informed the District that Landowner intends to plat District Lands subject to the Series 2024 Special Assessments into a total of 422 single family homes or 422 Equivalent Residential Units (“ERUs”).

B. *Process for Reallocation of Assessments.* The Series 2024 Special Assessments on the District Lands will be reallocated among the District Lands as such lands are platted or replatted (hereinafter referred to as “plat” or “platted”). In connection with such platting of the District Lands of the District, the Series 2024 Special Assessments imposed on the lands being platted will be allocated based upon the precise number and type of lots within the area being platted. It is intended that the Series 2024 Special Assessments imposed upon the District Lands will be assigned to the number and type of platted lots platted. In furtherance thereof, at such time as any portion of the District Lands is to be platted, Landowner covenants that such plat or plats shall be presented to the District. The District shall allocate the Series 2024 Special Assessments to the number and type of lots being platted and the remaining District Lands in accordance with the District’s Assessment Report and cause such reallocation to be recorded in the District’s Improvement Lien Book.

(i) It is or will be an express condition of the liens established by the Assessment Resolutions that any and all plats containing any portion of District Lands within the District owned by Landowner shall be presented to the District for review and allocation of the Series 2024 Special Assessments to the lots being platted and the

remaining property within the District Lands in accordance with the Assessment Report (“Reallocation”). Landowner covenants to comply with this requirement for the Reallocation. The District agrees that no further action by the Board of Supervisors shall be required. The District’s review of the plats shall be limited solely to the Reallocation of the Series 2024 Special Assessments and enforcement of the District’s assessment liens. Nothing herein shall in any way operate to or be construed as providing any other plat and plan approval or disapproval powers to the District.

(ii) The purpose of the True-Up calculation is to ensure that the bond debt will be able to be assigned to at least the number and type of platted lots within District Lands of Series 2024 Special Assessments of the District. Thus, at the time of platting of any portion of the District Lands, or any re-platting thereof, there must be at least the number of ERUs assigned to platted lots in District Lands to assign the bond debt to. If not, subject to subsection (v) below, the District would require a True-Up Payment from Landowner or the person or entity seeking to file such plat in an amount sufficient to reduce the remaining bond debt to the actual number of lots platted in District Lands in the par amount per platted lot as set forth in the Assessment Report.

(iii) The True-Up calculation shall be performed at the time any portion of District Lands subject to the Series 2024 Special Assessments is platted.

(iv) If at the time the True-Up calculation is performed, it is determined that less than the number and type of lots are to be platted within the District Lands, a True-Up Payment shall become immediately due and payable. Any such True-Up Payment determined to be due by shall be paid in full prior to approval of the plat. Such True-Up Payment shall be in addition to the regular Series 2024 Special Assessments installment payable for the District Lands. The District will take all necessary steps to ensure that True-Up Payments are made in a timely fashion to ensure its debt service obligations are met, and in all cases, Landowner agrees that such payments shall be made in order to ensure the District’s timely payment of the debt service obligations on the Series 2024 Bonds. The District shall record all True-Up Payments in its Improvement Lien book. If such True-Up Payment is made at least 45 days prior to an interest payment date on the Series 2024 Bonds, Landowner shall include accrued interest as part of the True-Up Payment to such interest payment date. If such True-Up Payment becomes due within 45 days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment date.

(v) The foregoing is based on the District's understanding with Landowner that at least 422 ERUs will be assigned to the District Lands, as identified in the Assessment Report and Engineer’s Report. However, the District agrees that nothing herein prohibits more or less than the anticipated number of ERUs to be assigned to the District Lands. In the event Landowner plats less than 422 ERUs within the District Lands, the Landowner may either make a True-Up Payment or leave unassigned Series 2024 Special Assessments on the District Lands on the un-platted lands within the District Lands, provided the maximum debt allocation per developable acre as set forth in the Assessment Resolution is not exceeded. In no event shall the District collect the Series 2024 Special Assessments

pursuant to the Assessment Resolutions in excess of the total debt service related to the Series 2024 Project, including all costs of financing and interest. The District, however, may collect the Series 2024 Special Assessments in excess of the annual debt service related to the Series 2024 Project, including all costs of financing and interest, which shall be applied to prepay the Series 2024 Bonds. If the strict application of the True-Up methodology to any Reallocation for any plat pursuant to this paragraph would result in Series 2024 Special Assessments collected in excess of the District's total debt service obligation for the Series 2024 Project, the District agrees to take appropriate action by resolution to equitably Reallocate the assessments.

SECTION 4. ENFORCEMENT. This Agreement is intended to be an additional method of enforcement of Landowner's obligation to pay the Series 2024 Special Assessments on the District Lands and to abide by the requirements of the Reallocation of Series 2024 Special Assessments, including the making of the True-Up Payment, if any, as set forth in the Assessment Resolutions. A default by any Party under this Agreement shall entitle any other Party to all remedies available at law or in equity, but excluding special, consequential, or punitive damages.

SECTION 5. RECOVERY OF COSTS AND FEES. In the event any Party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 6. NOTICE. All notices, requests, consents, and other communications hereunder ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, by overnight delivery service, or electronic or hand delivered to the Parties, as follows:

C. Landowner shall not transfer any portion of the District Lands to any third party, except as permitted by Sections 7(B)(i), (ii) or (iii) above, without satisfying the following conditions (“Transfer Conditions”):

- (i) delivering a recorded copy of this Agreement to such third party; and
- (ii) satisfying any True-Up Payment that results from a True-Up analysis that will be performed by the District Manager prior and as a condition to such transfer.

Any transfer that is consummated pursuant to this Section 7(C) shall operate as a release of Landowner from its obligations under this Agreement as to such portion of the District Lands only arising from and after the date of such transfer and satisfaction of all of the Transfer Conditions including payment of any True-Up Payment due pursuant to subsection 7(C)(ii) above, and the transferee shall be deemed to have assumed Landowner’s obligations in accordance herewith and shall be deemed the “Landowner” from and after such transfer for all purposes as to such portion of the District Lands so transferred.

SECTION 8. AMENDMENT. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter discussed herein and may be modified in writing only by the mutual agreement of all Parties. This Agreement may not be amended without the prior written consent of the Trustee on behalf and acting at the direction of the bondholders owning more than 50% of the aggregate principal amount of the applicable the Series 2024 Bonds then outstanding with regard to material amendments.

SECTION 9. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and Landowner, both the District and Landowner have complied with all the requirements of law, and both the District and Landowner have full power and authority to comply with the terms and provisions of this Agreement.

SECTION 10. TERMINATION. This Agreement shall continue in effect until it is rescinded in writing by the mutual assent of each Party, provided, however, that this Agreement and the covenants contained herein may not be terminated or released prior to platting and development of all the District Lands without the prior written consent of the Trustee on behalf and acting at the direction of bondholders owning more than 50% of the aggregate principal amount of the applicable Series 2024 Bonds then outstanding with regard to amendments having a material effect on the District’s ability to pay debt service on the Series 2024 Bonds.

SECTION 11. NEGOTIATION AT ARM’S LENGTH. This Agreement has been negotiated fully between the Parties as an arm’s length transaction. The Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the Parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either Party.

SECTION 12. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Except as provided in the immediately succeeding sentence, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and Landowner any right, remedy or claim under or by reason of this Agreement or any provisions or conditions of this Agreement; and all of the provisions, representations, covenants and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and Landowner and their respective representatives, successors and assigns. Notwithstanding anything herein to the contrary, the Trustee for the Series 2024 Bonds, on behalf of the owners of the Series 2024 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to enforce Landowner's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations hereunder.

SECTION 13. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

SECTION 14. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted, and controlled according to the laws of the State of Florida. Each Party consents that the exclusive venue for any litigation arising out of or related to this Agreement shall be in a court of appropriate jurisdiction, in and for Polk County, Florida.

SECTION 15. PUBLIC RECORDS. Landowner understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records and may require treatment as such in accordance with Florida law.

SECTION 16. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

SECTION 17. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

**COLLATERAL ASSIGNMENT AND ASSUMPTION OF
DEVELOPMENT RIGHTS RELATING TO THE
SERIES 2024 PROJECT**

THIS COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT RIGHTS RELATING TO THE SERIES 2024 PROJECT (“Assignment”) is made this 14th day of March 2024, by and between:

POLLARD ROAD COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Winter Haven, Florida, with a mailing address of 219 East Livingston Street, Orlando Florida 32801 (the “District”), and

HIGHLAND CASSIDY, LLC, a Florida limited liability company, the developer and owner of certain lands within the District, with a mailing address of 3020 South Florida Avenue, Suite 101, Lakeland, Florida 33803, and its successors and assigns (the “Landowner” or “Developer” and, together with the District, the “Parties”).

RECITALS

WHEREAS, Landowner is the owner and the developer of that certain real property within the District as more particularly described in **Exhibit A**, attached hereto and incorporated herein (“District Lands”); and

WHEREAS, the District proposes to issue its \$10,500,000 Pollard Road Community Development District Special Assessment Bonds, Series 2024 (Series 2024 Project) (“Series 2024 Bonds”), to finance certain improvements which will benefit all of the District Lands (the “Series 2024 Project”); and

WHEREAS, among the security for the repayment of the Series 2024 Bonds are the debt special assessments levied against the District Lands (“Series 2024 Special Assessments”); and

WHEREAS, the Parties intend that District Lands will be platted and fully developed into a total of 422 single family residential units (the “Lots”), and the Lots will be ultimately owned by homebuilders or end users, unrelated to the Landowner or its affiliated entities (“Development Completion”), as contemplated by the *Pollard Road Community Development District Supplemental Engineer’s Report* dated April 8, 2024 (the “Engineer’s Report”), and in the

Master Assessment Methodology for Pollard Road Community Development District, dated March 8, 2022 (the “Master Methodology”), as supplemented by the *Supplemental Assessment Methodology for Pollard Road*, dated April 24, 2024 (together, the “Assessment Methodology”), all of such Lots and associated improvements being referred to herein as the “Development”; and

WHEREAS, the Development which is being partially financed with the proceeds of the Series 2024 Bonds is described as District in the Engineer’s Report and is referred to as the “Series 2024 Project”; and

WHEREAS, the failure to achieve Development Completion may increase the likelihood that the purchasers of the Series 2024 Bonds will not receive the full benefit of their investment in the Series 2024 Bonds; and

WHEREAS, during the period in which the Development is being developed and the Series 2024 Project has yet to reach Development Completion, there is an increased likelihood that adverse changes to local or national economic conditions may result in a default in the payment of the Series 2024 Special Assessments securing the Series 2024 Bonds; and

WHEREAS, in the event of default in the payment of the Series 2024 Special Assessments securing the Series 2024 Bonds, or in the payment of a True-Up Obligation (as defined in the *Agreement by and between the Pollard Road Community Development District and Highland Cassidy, LLC Regarding True-Up as to Series 2024 Special Assessments*, dated May __, 2024), or in the event of any other Event of Default (as defined herein), the District requires, in addition to the remedies afforded the District under the *Master Trust Indenture* dated as of March 8, 2022 (the “Master Indenture”), as supplemented by that *First Supplemental Trust Indenture* dated as of May 1, 2024 (the “Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), pursuant to which the Series 2024 Bonds are being issued, and the other Agreements being entered into by Landowner concurrent herewith with respect to the Series 2024 Bonds and the Series 2024 Special Assessments (the Indentures and Agreements being referred to collectively as the “Bond Documents”, and such remedies being referred to collectively as the “Remedial Rights”), certain remedies with respect to the Development Rights (defined below) in order to complete or enable a third party to complete development of the Series 2024 Project.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Assignment.

2. COLLATERAL ASSIGNMENT.

(a) Subject to the terms and conditions of this Assignment, Landowner hereby collaterally assigns to the District, to the extent assignable, all of Landowner's development rights, permits, entitlements and work product relating to development of Series 2024 Project, and the Landowner's rights as declarant of any property owner or homeowner association with respect to Series 2024 Project (collectively, the "Development Rights"), as security for Landowner's payment and performance of all of its obligations arising under the Bond Documents, including, without limitation, payment of the Series 2024 Special Assessments as a result of the Series 2024 Project that is owned by Landowner, its successors and assigns, and any True-Up Obligation. The Development Rights shall include, without limitation, the items listed in subsections (i) through (viii) below as they pertain to development of the Series 2024 Project, but shall specifically exclude any portion of the Development Rights which relate solely to (x) Lots which have been or are conveyed to homebuilders unaffiliated with the Landowner or homebuyers effective as of such conveyance, or (y) any portion of Series 2024 Project which has been transferred, dedicated and/or conveyed, or is in the future conveyed, to the City of Winter Haven, Florida (the "City"), Polk County, Florida (the "County"), the District, any utility provider, governmental or quasi-governmental entity, any homeowner's or property owner's association or other governing entity or association as may be required by applicable permits, approvals, plats or entitlements or regulations affecting the District, if any, in each case effective as of such transfer, conveyance and/or dedication, as applicable:

(i) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, and development assignments;

(ii) Engineering and construction plans and specifications for grading, roadways, site drainage, storm water drainage, signage, water distribution, wastewater collection, recreational facilities and other improvements;

(iii) Preliminary and final site plans and plats;

(iv) Architectural plans and specifications for recreational buildings and other improvements to the developable property within the District;

(v) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the Series 2024 Project or the construction of improvements within the Series 2024 Project, or off-site to the extent such off-site improvements are necessary or required to complete the Series 2024 Project;

(vi) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the Series 2024 Project or the construction of improvements within the Series 2024 Project;

(vii) All prepaid impact fees and impact fee credits; and

(viii) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

(b) This Assignment is not intended to and shall not impair or interfere with the development of the Series 2024 Project, including, without limitation, Landowner's contracts with homebuilders, if any, and end users (collectively, "Sales Contracts"), and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development Rights, from time to time, only upon the District's exercise of its rights hereunder upon a failure of Landowner to pay the Series 2024 Special Assessments levied against the portion of the District Lands owned by the Landowner, from time to time, failure of Landowner to satisfy a True-Up Obligation, or any other Event of Default hereunder. The District shall not be deemed to have assumed any obligations associated with the Development Rights unless and until the District exercises its rights under this Assignment, and then only to the extent of such exercise.

(c) If this Assignment has not become absolute, it shall automatically terminate upon the earliest to occur of the following events: (i) payment in full of the principal and interest associated with the Series 2024 Bonds; (ii) Development Completion; (iii) transfer of any Development Rights to the City, the County, the State, the District, any utility provider, any other governmental or quasi-governmental entity, or any homeowners' or property owner's association but only to the extent of such transfer; or (iv) transfer of any portion of the Series 2024 Project to an unaffiliated homebuilder or end user but only as to such portion transferred, from time to time.

3. WARRANTIES BY LANDOWNER. Landowner represents and warrants to the District that:

(a) Landowner is not prohibited under any agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

(b) No action has been brought or threatened which would in any way interfere with the right of Landowner to execute this Assignment and perform all of Landowner's obligations herein contained.

(c) Any transfer, conveyance or sale of the District Lands shall subject any and all affiliates or successors-in-interest of Landowner as to the Series 2024 Project or any portion thereof, to this Assignment to the extent of the portion of the District Lands so conveyed, except to the extent described in Section 2 above.

4. COVENANTS. Landowner covenants with the District that for so long as this Assignment shall remain in effect pursuant to the terms hereof:

(a) Landowner will use reasonable, good faith efforts to (i) fulfill, perform, and observe each and every material condition and covenant of Landowner relating to the Development Rights, and (ii) give notice to District of any default with respect to any of the Development Rights.

(b) The Development Rights include all of Landowner's rights to modify the Development Rights, to terminate the Development Rights, and to waive or release the performance or observance of any obligation or condition of the Development Rights; provided, however, that this Assignment does not and shall not (i) pertain to lands outside of the District not relating or necessary to development of the Series 2024 Project, or (ii) limit Landowner's right, from time to time, to modify, waive or release the Development Rights, subject to Section 4(c) below and Landowner's obligations under the Bond Documents.

(c) Landowner agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then-outstanding Series 2024 Special Assessments or would materially impair or impede the ability to achieve Development Completion.

5. EVENTS OF DEFAULT. Any breach of Landowner's warranties contained in Section 3 hereof, any breach of covenants contained in Section 4 hereof which is not cured within sixty (60) days after receipt of written notice thereof, or any breach of Landowner under any other Bond Documents, which default is not cured within any applicable cure period, will constitute an "Event of Default", under this Assignment.

6. REMEDIES UPON DEFAULT. Upon an Event of Default, or the transfer of title to any portion of the Series 2024 Project owned by Landowner to the District or its designee pursuant to a judgment of foreclosure entered by a court of competent jurisdiction or a deed in lieu of foreclosure to the District or its designee or the acquisition of title to such property through the sale of tax certificates, the District may, as the District's sole and exclusive remedies under this Assignment, take any or all of the following actions, at the District's option:

(a) Perform or cause to be performed any and all obligations of Landowner relating to the Development Rights and exercise or cause to be exercised any and all rights of Landowner therein as fully as Landowner could;

(b) Initiate, appear in, or defend any action arising out of or affecting the Development Rights; and,

(c) Further assign any and all of the Development Rights to a third party acquiring title to the Series 2024 Project or any portion thereof from the District or at a District foreclosure sale.

7. AUTHORIZATION IN EVENT OF DEFAULT. In the Event of Default, Landowner does hereby authorize and shall direct any party to any agreements relating to the Development Rights to tender performance thereunder to the District upon written notice and request from the District. Any such performance in favor of the District shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Landowner. Notwithstanding the foregoing or anything to the contrary set forth in this Assignment, no exercise by the District or the District's rights under this Assignment shall operate to release Landowner from its obligations under this Assignment.

8. ATTORNEYS' FEES AND COSTS. In the event that either Party is required to enforce this Assignment by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION C

**AGREEMENT BY AND BETWEEN THE POLLARD ROAD COMMUNITY
DEVELOPMENT DISTRICT AND HIGHLAND CASSIDY, LLC,
REGARDING THE ACQUISITION OF WORK PRODUCT,
IMPROVEMENTS, AND REAL PROPERTY**

(SERIES 2024 BONDS)

THIS AGREEMENT (“Agreement”) is made and entered into this ____th day of May 2024, by and between:

POLLARD ROAD COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the Town of Lake Hamilton, Florida, with a mailing address of 219 East Livingston Street, Orlando Florida 32801 (the “District”), and

HIGHLAND CASSIDY, LLC, a Florida limited liability company, the developer and owner of certain lands within the District, with a mailing address of 3020 South Florida Avenue, Suite 101, Lakeland, Florida 338030, and its successors and assigns (the “Landowner” or “Developer” and, together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established for the purposes of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure, as authorized by Chapter 190, *Florida Statutes*; and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as described in the *Pollard Road Community Development District Supplemental Engineer’s Report* dated April 8, 2024, (the “Engineer’s Report”), attached to this Agreement as **Exhibit A**, and the estimated costs of the portion of the “Improvements” described as (the “Series 2024 Project”), are identified therein; and

WHEREAS, the Landowner is the owner and the developer of certain lands located within the boundaries of the District described in the Engineer’s Report and further described in **Exhibit B** (“District Lands”), within which a portion of the District Improvements will be located; and

WHEREAS, the District intends to finance a portion of the Series 2024 Project, through the anticipated issuance of its Pollard Road Community Development District Special Assessment Bonds, Series 2024 (Series 2024 Project), in the principal amount of \$10,500,000 (the “Series 2024 Bonds”); and

WHEREAS, because the Series 2024 Bonds have not yet been issued, the District has not had sufficient monies on hand to allow the District to fund the cost of preparation of the necessary surveys, reports, drawings, plans, permits, specifications, and related documents which would

allow the timely commencement and completion of construction of the Improvements (the “Work Product”); and

WHEREAS, the District acknowledges the Landowner’s need to have the Improvements constructed in an expeditious and timely manner in order to develop the District Lands including the lands encompassing the Series 2024 Project; and

WHEREAS, the District agrees that it will not have sufficient monies to proceed with either the preparation of the Work Product or the commencement of construction of the Improvements described in **Exhibit A** until such time as the District has closed on the sale of the Series 2024 Bonds; and

WHEREAS, to avoid a delay in the commencement of the construction of the Improvements, the Landowner has advanced, funded, commenced, and completed and/or will complete certain work to enable the District to expeditiously provide the Improvements; and

WHEREAS, the District desires to commence the acquisition of certain Work Product and the Improvements, and accept assignment of certain agreements regarding the same; and

WHEREAS, in conjunction with the acquisition of the Work Product and/or Improvements, the Landowner desires to convey to the District interests in real property sufficient to allow the District to own, operate, maintain, construct, or install the Improvements, if any such conveyances are appropriate, and such conveyances shall be in fee simple, perpetual easement, or other interest as may be in the best interests of the District (the “Real Property”); and

WHEREAS, the Landowner and the District desire to enter into this Agreement to set forth the process by which the District may acquire the Work Product, Improvements, and/or Real Property.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the District and the Landowner agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 2. WORK PRODUCT. The District agrees to pay the lesser of actual cost incurred by the Landowner or fair market value, for preparation of the Work Product in accordance with the provisions of this Agreement. The Landowner shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Landowner for the Work Product. The Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement on such date as the Parties may jointly agree upon (the “Acquisition Date”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement. The District Engineer shall review all evidence of cost and shall certify to the District’s Board of Supervisors (the “Board”) the total actual amount of cost, which, in the District Engineer’s sole opinion, is

reasonable for the Work Product. The District Engineer's opinion as to cost shall be set forth in an Engineer's Certificate which shall accompany the requisition for the funds from the trustee for the Series 2024 Bonds ("Trustee"). In the event that the Landowner disputes the District Engineer's opinion as to cost, the District and the Landowner agree to use good faith efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third-party engineer whose decision as to any such dispute shall be binding upon the Parties. Such decision by a third-party engineer shall be set forth in an Engineer's Affidavit which shall accompany the requisition for the funds from the Trustee. The Parties acknowledge that the Work Product is being acquired for use by the District in connection with the construction of the Improvements.

A. The Landowner agrees to convey to the District, and solely to the extent permitted by the terms of the Work Product, the Work Product upon payment of the sums determined to be acceptable by the District Engineer and approved by the District's Board pursuant to and as set forth in this Agreement.

B. The Landowner agrees to release to the District all right, title, and interest which the Landowner may have in and to the above described Work Product, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised; provided, however, that the District agrees and acknowledges that the Landowner shall retain the right, title and interest to use the Work Product, and the District shall grant the Landowner a license to use the Work Product to the extent reasonably required by the Landowner in connection with the ownership, construction, development, and management of the Series 2024 Project or other lands owned by Landowner to which such Work Product pertains. To the extent determined necessary by the District, the Landowner shall use commercially reasonable efforts to obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services.

C. Except as otherwise separately agreed by the Parties with respect to any particular acquisition of Work Product, and without intending to modify any of the other terms of this Agreement, any conveyance of Work Product shall be on an "AS-IS" basis, and without any representation or warranty from the Landowner to the District in respect thereto.

D. The Landowner agrees to make reasonable good faith efforts, but without imposing any requirement on Landowner to pay for additional warranty rights on behalf of the District, to provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable to the mutual satisfaction of the Parties hereto, a warranty that the Work Product is fit for the purposes to which it will be put by the District, as contemplated by the Engineer's Report.

E. The District agrees to allow the Landowner access to and use of the Work Product without the payment of any fee by the Landowner. However, to the extent the Landowner's access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Landowner agrees to pay such cost or expense.

SECTION 3. IMPROVEMENTS. The Landowner has expended certain funds on behalf of the District relating to the Improvements. The District agrees to acquire or otherwise reimburse the Landowner for those portions of the Improvements which have been commenced or completed prior to the issuance of the Series 2024 Bonds. When a portion of the Improvements is ready for conveyance by the Landowner to the District, the Landowner shall notify the District in writing, describing the nature of the improvement, its general location, and its estimated cost. Landowner agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid; (ii) instruments of conveyance such as special warranty deeds, bills of sale, or such other instruments as may be reasonably requested by the District; and (iii) any other releases, indemnifications, or documentation as may be reasonably requested by the District. Any real property interests necessary for the functioning of the Improvements to be acquired under this Section shall be reviewed and conveyed in accordance with the provisions of Section 5 herein. The District Engineer in consultation with District Counsel shall determine in writing whether the infrastructure to be conveyed is a part of the Improvements contemplated by the Engineer's Report, and if so, shall provide Landowner with a list of items necessary to complete the acquisition. Each such acquisition shall also be subject to the engineering review and certification process described in Section 2 above. The District Manager shall determine, in writing, whether the District has, based on the Landowner's estimate of cost, sufficient unencumbered funds to acquire the improvement.

A. All documentation of any acquisition (e.g., bills of sale, receipts, maintenance bonds, as-builts, evidence of costs, deeds or easements, etc.) shall be to the reasonable satisfaction of the District. If any item acquired is to be conveyed to a third-party governmental entity, then the Landowner agrees to cooperate and provide such certifications, warranties, representations or other items as may be required by that governmental entity, if any.

B. The District Engineer shall certify as to the actual cost of any improvement built or constructed by or at the direction of the Landowner, and the District shall pay no more than the actual cost incurred, or the fair market value of the improvement, whichever is less, as determined by the District Engineer.

C. The Landowner agrees to cooperate in the transfer of any permits to the District or another governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.

D. Nothing herein shall require the District to accept any Work Product and/or Improvements unless the District Engineer, in his or her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the Work Product and/or Improvements are as set forth in the Engineer's Report; (ii) the price for such Work Product and/or Improvements is equal to or less than each of (a) the cost actually paid to develop

and/or install the Work Product and/or Improvements by the Landowner and (b) the reasonable fair market value of the Work Product and/or Improvements; (iii) as to Work Product, the Work Product is capable of being used for the purposes intended by the District, and, as to any Improvements, the Improvements were installed in accordance with their specifications, and are capable of performing the functions for which they were intended; and (iv) as to any Improvements, all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities.

SECTION 4. ASSIGNMENT OF CONTRACTS. The District may accept the assignment of certain contracts. Such acceptance is predicated upon: (i) each contractor providing a bond in the form and manner required by Section 255.05, *Florida Statutes*, or the Landowner providing adequate alternative security in compliance with Section 255.05, *Florida Statutes*, if required; and (ii) receipt by the District of a release from each general contractor acknowledging each assignment and the validity thereof, acknowledging the furnishing of the bond or other security required by Section 255.05, *Florida Statutes*, if any, and waiving any and all claims against the District arising as a result of or connected with such assignment. Until such time as the Series 2024 Bonds are actually issued, the Landowner agrees to provide such funds as are needed by the District to make all payments for any such assigned contracts when and as needed by the District.

SECTION 5. CONVEYANCE OF REAL PROPERTY.

A. Conveyance. In the event that real property interests are to be conveyed by the Landowner, or any other owner of lands within Assessment Area, and acquired by the District in connection with the acquisition or construction of the Improvements, and as mutually agreed upon by the District and the Landowner, then in such event, the Landowner agrees that it will convey or cause to be conveyed to the District at or prior to the Acquisition Date by a special warranty deed, or non-exclusive easement, as reasonably acceptable to the District together with a metes and bounds or other legal description, the Real Property upon which the Improvements are constructed or which are necessary for the operation and maintenance of, and access to the Improvements. The Parties agree that in no event shall the purchase price for the Real Property exceed the lesser of the actual cost to the Landowner or the value of an appraisal obtained by the District for this purpose. The Parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will be, funded by the District. The District may determine in its reasonable discretion that fee title is not necessary and in such cases shall accept such other interest in the lands upon which the Improvements are constructed as the District deems reasonably acceptable. Such special warranty deed or other instrument shall be subject to a reservation by Landowner of its right and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District's use, occupation or enjoyment thereof. The Landowner shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the lands upon which the Improvements are constructed. The

Landowner shall be responsible for all taxes and assessments levied on the lands upon which the Improvements are constructed until such time as the Landowner conveys said lands to the District. At the time of conveyance, the District may require, at Landowner's expense, an owner's title insurance policy in a form satisfactory to the District. In the event the title search reveals exceptions to title which render title unmarketable or which, in the District's reasonable discretion, would materially interfere with the District's use of such lands, the District shall not be required to accept such conveyance of Real Property and/or any related Improvements or Work Product.

B. *Boundary or Other Adjustments.* Landowner and the District agree that reasonable future boundary adjustments may be made as deemed necessary and approved by both Parties in order to accurately describe lands conveyed to the District and lands which remain in Landowner's ownership; provided, however, that such future boundary adjustments shall not affect the ability of the Landowner to have the lots developed. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs.

SECTION 6. TAXES, ASSESSMENTS, AND COSTS.

A. *Taxes and Assessments on Property Being Acquired.* The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Landowner agrees to place in escrow with the Polk County Tax Collector an amount equal to the current ad valorem taxes and non-ad valorem assessments prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Landowner agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.

2. Nothing in this Agreement shall prevent the District from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

B. *Notice.* The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes assessments or costs imposed on the property acquired by the District as described in Subsection A above. The Landowner covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Landowner fails to make timely payment of any such taxes or costs, the Landowner acknowledges the

District's right to make such payment. If the District makes such payment, the Landowner agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

C. Tax liability not created. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Landowner or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 7. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS. The District and Landowner hereby agree that an acquisition of Improvements or Work Product by the District may be completed prior to the District obtaining proceeds from the Series 2024 Bonds ("Prior Acquisitions"). The District agrees to pursue the issuance of the Series 2024 Bonds in good faith and, within thirty (30) days from the issuance of such Series 2024 Bonds, to make payment for any Prior Acquisitions completed pursuant to the terms of this Agreement; provided, however, that in the event Bond Counsel determines that any such Prior Acquisitions are not properly compensable for any reason, including, but not limited to, federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to make payment for such Prior Acquisitions. Interest shall not accrue on the amounts owed for any Prior Acquisitions. In the event the District does not or cannot issue the Series 2024 Bonds within five (5) years from the date of this Agreement, and, thus does not make payment to the Landowner for the Prior Acquisitions, the Parties agree that the District shall have no reimbursement obligation whatsoever. The Landowner acknowledges that the District intends to convey some or all of the Improvements to the State of Florida, the City of Winter Haven or Polk County and consents to the District's conveyance of such improvements prior to payment for any Prior Acquisitions.

SECTION 8. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance, but excluding special, consequential or punitive damages.

SECTION 9. INDEMNIFICATION. For all actions or activities which occur prior to the date of the acquisition of the relevant Real Property, Improvement or Work Product hereunder, the Landowner agrees to indemnify and hold harmless the District and its officers, staff, agents and employees from any and all liability, claims, actions, suits or demands by any person, corporation or other entity for injuries, death, property damage or claims of any nature arising out of, or in connection with, the use by the Landowner, its officers, agents, employees, invitees or affiliates, of the Real Property, Improvement, or Work Product, including litigation or any appellate proceedings with respect thereto, irrespective of the date of the initiation or notice of the claim, suit, etc.; provided, however, that the Landowner shall not indemnify the District for a default by the District under this Agreement or the use of such Real Property, Improvement or Work Product by the District, its engineers, employees, contractors, or such persons' or entities' negligence.

SECTION 10. ENFORCEMENT OF AGREEMENT. In the event that any Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees, and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 11. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the District and the Landowner relating to the subject matter of this Agreement.

SECTION 12. AMENDMENTS. This Agreement shall constitute the entire agreement between the Parties regarding the subject matter hereof and may be modified in writing only by the mutual agreement of all Parties, and with regards to material amendments, with the prior written consent of the Trustee for the Series 2024 Bonds acting at the direction of the bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding.

SECTION 13. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Landowner. The District and the Landowner have complied with all the requirements of law. The District and the Landowner have full power and authority to comply with the terms and provisions of this Agreement.

SECTION 14. NOTICES. All notices, requests, consents and other communications under this Agreement ("Notices") shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or overnight delivery service, to the Parties, as follows:

SECTION 15. ARM'S LENGTH TRANSACTION. This Agreement has been negotiated fully between the District and the Landowner as an arm's length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against any Party hereto.

SECTION 16. THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the District and the Landowner and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Landowner any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and the Landowner and their respective representatives, successors, and assigns. Notwithstanding the foregoing, nothing in this paragraph shall be construed as impairing or modifying the rights of any bondholders of Series 2024 Bonds issued by the District for the purpose of acquiring any Work Product, Improvements and/or Real Property. Also notwithstanding anything herein to the contrary, the Trustee for the Series 2024 Bonds, on behalf of the owners of the Series 2024 Bonds, shall be a direct third-party beneficiary acting at the direction of the bondholders owning more than 50% of an aggregate principal amount of the applicable Series 2024 Bonds then outstanding, be entitled to cause the District to enforce the Landowner's obligations hereunder.

SECTION 17. ASSIGNMENT. This Agreement may be assigned, in whole or in part, by either Party only upon the written consent of the other, which consent shall not be unreasonably withheld, and the Trustee acting on behalf of the Bondholders owning a majority of the aggregate principal amount of the Series 2024 Bonds then outstanding. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature in Section 768.28, *Florida Statutes*, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

**AGREEMENT BY AND BETWEEN THE POLLARD ROAD
COMMUNITY DEVELOPMENT DISTRICT AND
HIGHLAND CASSIDY, LLC, REGARDING THE
COMPLETION OF CERTAIN IMPROVEMENTS**

(SERIES 2024 BONDS)

THIS AGREEMENT (“Agreement”) is made and entered into this ___th day of May 2024, by and between:

POLLARD ROAD COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, being situated in the City of Lake Hamilton, Florida, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (the “District”), and

HIGHLAND CASSIDY, LLC, a Florida limited liability company, the developer and owner of certain lands within the District, with a mailing address of 3020 South Florida Avenue, Suite 101, Lakeland, Florida 33803, and its successors and assigns (the “Landowner” and, together with the District, the “Parties”).

RECITALS

WHEREAS, the District was established by an ordinance adopted by the City Council of the City of Winter Haven, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “Act”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Act authorizes the District to issue bonds for the purpose, among others, of planning, financing, constructing, operating and/or maintaining certain infrastructure, including stormwater management facilities, water and sewer utilities, roadways, irrigation, off-site improvements, landscape and hardscape, street lighting, parks and recreation, and other infrastructure within or without the boundaries of the District, as described in that Engineer’s Report, as defined below (“Improvements”); and

WHEREAS, Landowner is the owner and developer of all lands within the District (“District Lands”), described in **Exhibit A**, which will be subject to the proposed issuance of the Series 2024 Bonds, defined herein; and

WHEREAS, the District has adopted an improvement plan to finance the planning, design, acquisition, construction, and installation of certain infrastructure improvements, facilities, and services as described in the *Pollard Road Community Development District Supplemental Engineer’s Report*, dated April 8, 2024 (the “Engineer’s Report”) attached to this Agreement as **Exhibit B**, and the estimated costs of the portion of the Improvements, described as (the “Series 2024 Project”), are identified therein; and

WHEREAS, the District has imposed debt special assessments on the District Lands within the District (the “Series 2024 Special Assessments”), to secure financing for a portion of the construction of the Series 2024 Project described in **Exhibit B**, and has validated \$19,500,000 in special assessment bonds to fund the planning, design, permitting, construction and/or acquisition of Improvements including a portion of the Series 20024 Project; and

WHEREAS, the District intends to finance all or a portion of the Series 2024 Project through the anticipated issuance of its Pollard Road Community Development District Special Assessment Bonds, Series 2024 (Series 2024 Project), in the principal amount of \$10,500,000 (the “Series 2024 Bonds”); and

WHEREAS, Landowner has requested that the District limit the amount of debt special assessments imposed upon District Lands subject to the Series 2024 Special Assessments by allowing the Landowner to directly fund a portion of the Series 2024 Project; and

WHEREAS, Landowner has agreed to complete or cause funds to be provided to the District to complete the portion of the Series 2024 Project related to the District Lands (the “District Costs”), as set forth in the Engineer’s Report, not funded by proceeds of the Series 2024 Bonds; and

WHEREAS, in consideration of the District limiting the amount of Series 2024 Special Assessments on District Lands, Landowner has requested that the District enter into this Agreement and to provide the terms and conditions under which the District Costs of the Series 2024 Project shall be completed; and

WHEREAS, in order to ensure that Series 2024 Project is completed and funding is available in a timely manner to provide for its completion, Landowner and the District hereby agree that the District will be obligated to issue no more than \$10,500,000 in Series 2024 Bonds to fund the Series 2024 Project and Landowner will complete or will make provision for additional funds that may be needed in the future for the completion of the Series 2024 Project, over and above the amount of the Series 2024 Bonds including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

2. COMPLETION OF IMPROVEMENTS. Landowner and the District agree and acknowledge that the District’s proposed Series 2024 Bonds will provide only a portion of the funds necessary to complete the Series 2024 Project. Therefore, Landowner hereby agrees to complete the Series 2024 Project or cause such funds to be provided to the District in an amount sufficient to allow the District to complete those portions of District Costs of the Series 2024

Project which may remain unfunded including, but not limited to, all administrative, legal, warranty, engineering, permitting or other related soft costs (collectively, the “Remaining Improvements”), whether pursuant to existing contracts, including change orders thereto, or future contracts.

(a) Subject to Existing Contract. When all or any portion of the Remaining Improvements are subject to an existing District contract, the Landowner shall provide funds directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.

(b) Not Subject to Existing Contract. When any portion of the Remaining Improvements is not the subject of an existing District contract, the Landowner may choose to complete, cause to be completed, or provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those Remaining Improvements, subject to a formal determination by the District that the option selected by the Landowner will not materially and adversely impact the District.

Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Improvements. The Parties hereby acknowledge and agree that the District’s execution of this Agreement constitutes the manner and means by which any and all portions of the Remaining Improvements are to be funded and completed. Notwithstanding the foregoing, in the event the Landowner, either jointly or individually, fails to timely provide funds or to complete the Remaining Improvements, the District may exercise its authority to issue additional bonds, notes or similar obligations, and certify for collection additional special assessments in an amount sufficient to complete the Remaining Improvements.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS.

(a) The District and Landowner agree and acknowledge that the exact location, size, configuration, and composition of the Series 2024 Project may change from that described in the Engineer’s Report depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Series 2024 Project shall be made by a written amendment to the Engineer’s Report, which shall include an estimate of the cost of the changes. Material changes to the Series 2024 Project shall require the prior written consent of the Trustee acting on behalf and at the direction of the bondholders owning more than 50% of an aggregate principal amount of the applicable Series 2024 Bonds then outstanding.

(b) The District and Landowner acknowledge and agree that the provision of funds under this Agreement or the completion of the Remaining Improvements will be considered a contribution in lieu of the imposition of debt special assessments upon the District Lands benefitted by the Series 2024 Project to the extent set forth in the assessment methodology.

(c) (i) The Landowner agrees that all developable lands within Series 2024, including Landowner’s property, benefit from the timely design, construction, or acquisition of

the Series 2024 Project.

(ii) Landowner agrees that the Series 2024 Special Assessments which were imposed on the District Lands within the District, have been validly imposed and constitute valid, legal, and binding liens upon the District Lands, which Series 2024 Special Assessments remain unsatisfied.

(d) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by Landowner of its obligations hereunder are expressly subject to, dependent and conditioned upon (a) the issuance of \$10,500,000 par amount of Series 2024 Bonds and use of the proceeds thereof to fund a portion of the Series 2024 Project, and (b) the scope, configuration, size and/or composition of the Series 2024 Project not materially changing without the consent of Landowner. Such consent is not necessary, and Landowner must meet the completion obligations, or cause them to be met, when the scope, configuration, size and/or composition of the Series 2024 Project is materially changed in response to a requirement imposed by a regulatory agency.

4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE. A default by any Party under this Agreement shall entitle the others to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages and/or specific performance, but excluding special, consequential, or punitive damages. Except as expressly otherwise provided in this Agreement, the District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Except as expressly otherwise provided in this Agreement, nothing contained in this Agreement shall limit or impair the District's right to protect its rights under this Agreement from interference by a third party.

5. ENFORCEMENT OF AGREEMENT. If any Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the substantially prevailing party shall be entitled to recover from the other(s) all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all Parties hereto, but only with the written consent of the Trustee acting at the direction of the bondholders owning more than 50% of an aggregate principal amount of the Series 2024 Bonds then outstanding, with respect to material amendments.

7. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and Landowner, both the District and Landowner have complied with all the requirements of law, and both the District and Landowner have full power and authority to comply with the terms and provisions of this Agreement.

Except as otherwise provided in this Section 10 with respect to Trustee, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the Parties hereto any right, remedy, or claim under or by reason of this Agreement or any of the provisions or conditions of this Agreement; and all of the provisions, representations, covenants, and conditions contained in this Agreement shall inure to the sole benefit of and shall be binding upon the District and Landowner and the respective representatives, successors, and assigns of each. Notwithstanding anything herein to the contrary, the Trustee for the Series 2024 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to enforce the obligations of Landowner hereunder. Re: Agreement for Underwriter Services & Rule G-17 Disclosure

Dear Ms. Burns:

Thank you for the opportunity to work with the Pollard Road Community Development District (the "Issuer") regarding the underwriting of the Issuer's Special Assessment Bonds, Series 2024 and future series of bonds (the "Bonds"). The Issuer and FMSbonds, Inc. ("FMS"), solely in its capacity as underwriter, agree to the proposed terms set forth herein in Attachment I. By executing this letter both parties agree to the terms set forth herein.

FMS's role is limited to act as Underwriter within the Scope of Services set forth herein as Attachment I, and not as a financial advisor or municipal advisor. FMS is not acting as a municipal advisor for the developer in connection with the subject transaction. Any information that FMS has previously provided was solely for discussion purposes in anticipation of being retained as your underwriter. Attachment II, attached hereto, contains the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

We look forward to working with you.

Yours truly,

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 **Scope of Services of FMS:** FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;
2. To coordinate the financing process;
3. To conduct due diligence;
4. To assist in the preparation of an offering memorandum;
5. To review the assessment methodology and Bond documents;
6. To market and offer Bonds to investors.

Section 2 **Terms and Conditions:**

1. Underwriter Fee (“Underwriting Fee”). FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.
2. Price and Interest Rates: The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.
3. Bond Purchase Agreement. The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.
4. Costs of Issuance. The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.
5. Assumptions. The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

- a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;
 - b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;
 - c) the offering memorandum will comply with all applicable laws and regulations;
 - d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and
 - e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.
6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.
7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.
8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the “Underwriter”) and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the ‘Bonds’). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer’s interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.
- The Underwriter’s primary role is to purchase the Bonds in an arm’s-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter’s compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

FMSbonds, Inc.

**TEMPORARY CONSTRUCTION AND
ACCESS EASEMENT AGREEMENT**

THIS TEMPORARY CONSTRUCTION AND ACCESS EASEMENT AGREEMENT (“**Agreement**”) is made and entered into this 24TH day of April 2024, by and between **HIGHLAND CASSIDY, LLC**, a Florida limited liability company, whose address is 346 E. Central Avenue, Winter Haven, Florida 33880 (“**Grantor**”) in favor of **POLLARD ROAD COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, whose address is c/o Governmental Management Services Central Florida, LLC, 219 E. Livingston St., Orlando, Florida 32801 (“**Grantee**” or the “**District**”) (Grantor and Grantee are sometimes together referred to herein as the “**Parties**”, and separately as the “**Party**”).

WITNESSETH:

WHEREAS, Grantor is the owner in fee simple of certain real property located in the District, being more particularly described on **Exhibit “A”** attached hereto, and by this reference incorporated herein (the “**Easement Area**”); and

WHEREAS, Grantee intends to complete within the Easement Area, the design, installation and construction of roadway improvements, water, stormwater management facilities, sanitary sewer utilities, signage, neighborhood parks and recreational facilities, and other such improvements as authorized by law, (collectively, the “**Improvements**”); and

WHEREAS, Grantor desires to grant to Grantee a temporary, non-exclusive construction and access easement on, upon, over, under, across, and through the Easement Area for the sole purpose of constructing the Improvements, until either construction of the Improvements is completed or the Grantee acquires the Easement Area, whichever occurs first.

NOW, THEREFORE, for and in consideration of Ten and No/100 Dollars (\$10.00) in hand paid by the Grantee to the Grantor, the mutual covenants and agreements herein set forth and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby expressly acknowledged by the Parties, the Parties do hereby agree as follows:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference.
2. **Temporary Construction Easement.** Grantor does hereby grant, bargain, sell and convey to Grantee a temporary, non-exclusive easement on, upon, over, under, across and through the Easement Area for access, ingress, egress and to allow Grantee to complete the design, construction and installation of the Improvements (collectively, the “**Easement**”).

3. **Term of Easement.** Upon the earlier of (i) the completion of all Improvements and the acceptance of such by the District's Board of Supervisors, or (ii) recordation of a release of the Easement in the Public Records of Polk County, Florida, then this Agreement shall automatically terminate and be extinguished and all rights in the Easement granted by this Agreement shall immediately revert to the Grantor, its successors, transferees and assigns, without further action of the Grantor or Grantee being required with respect to such Easement Area. Alternatively, (iii) upon recordation of a plat, this Agreement shall partially and automatically terminate and be extinguished over the platted residential lots ("Lots"), and all rights in the Easement upon such Lots granted by this Agreement shall immediately revert to the Grantor, its successors, transferees and assigns, without further action of the Grantor or Grantee being required with respect to such Lots in the Easement Area. Upon termination of this Agreement, as provided herein, and upon request by Grantor, Grantee shall promptly execute and deliver to Grantor a document in recordable form confirming termination of this Agreement and the Easement granted herein. Should the Grantee acquire the Easement Area from the Grantor prior to the occurrence of events (i), (ii) and (iii) enumerated herein, this Agreement shall automatically terminate and be extinguished and all rights in the Easement granted by this Agreement shall immediately vest in the Grantee, its successors, transferees and assigns, without further action of the Grantor or Grantee being required with respect to such Easement Area.

4. **Insurance and Indemnity.** Grantee and/or any contractors performing work for Grantee on the Easement Area, shall at all times maintain general public liability insurance to afford protection against any and all claims for personal injury, death or property damage arising directly or indirectly out of the exercise of the rights and privileges granted. Said insurance maintained by any contractors performing work for Grantee on the Easement Area shall be issued by solvent, reputable insurance companies authorized to do business in the State of Florida, naming Grantee and Grantor as insured, as their interests may appear, in a combined-single limit of not less than \$1,000,000.00 with respect to bodily injury or death and property damage. Said insurance shall also be primary, and not contributory, as to any insurance coverage maintained by Grantor. To the extent permitted by law and without waiving any of the protections afforded by section 768.28, Florida Statutes, Grantee hereby agrees to indemnify and hold harmless Grantor from and against any and all liability arising out of Grantee's construction activities within the Easement Area.

5. **Obligations of Grantor and Grantee.** The Parties acknowledge and agree that any rights granted hereunder shall be exercised by the Parties only in accordance and compliance with any and all applicable laws, ordinances, rules, regulations, permits and approvals, and any future modifications or amendments thereto. The Parties covenant and agree that neither party shall discharge into or within the Easement Area, any hazardous or toxic materials or substances, any pollutants, or any other substances or materials prohibited or regulated under any federal, state or local law, ordinance, rule, regulations or permit, except in accordance with such laws, ordinances, rules, regulations and permits. To the extent permitted by law and without waiving any of the protections afforded by section 768.28, Florida Statutes, each Party hereby agrees to indemnify and hold harmless the other Party from and against any and all liability arising out of such Party's breach of any provision of this Agreement, including, without limitation, the matters set forth in this paragraph.

6. **Beneficiaries of Easement Rights.** The Easement set forth in this Agreement shall be for the sole benefit and use of Grantee, its successors and assigns, and Grantee's agents, employees, consultants, representatives, contractors and providers of emergency services and utility services.

7. **Amendments and Waivers.** This Agreement may not be terminated or amended, modified, altered, or changed in any respect whatsoever, except by a further agreement in writing duly executed by the Parties and recorded in the Public Records of Polk County, Florida. No delay or omission of any Party in the exercise of any right accruing upon any default of any Party shall impair

such right or be construed to be a waiver thereof, and every such right may be exercised at any time during the continuance of such default. A waiver by any Party of a breach of, or a default in, any of the terms and conditions of this Agreement by any other Party shall not be construed to be a waiver of any subsequent breach of or default in the same or any other provision of this Agreement. No breach of the provisions of this Agreement shall entitle any Party to cancel, rescind or otherwise terminate this Agreement, but such limitation shall not affect, in any manner, any other rights or remedies which any Party may have by reason of any breach of the provisions of this Agreement.

8. **Notices.** Any notices which may be permitted or required hereunder shall be in writing and shall be deemed to have been duly given (i) three (3) days after depositing with the United States Postal Service, postage prepaid, (ii) one day after depositing with a nationally recognized overnight courier service, or (iii) on the day of hand delivery (provided such delivery occurs prior to 5:00 pm, E.S.T. or E.D.T., as applicable), to the address listed above or to such other address as either Party may from time to time designate by written notice in accordance with this paragraph.

9. **Use of Easement Area.** It is acknowledged and agreed that the Easement granted under this Agreement is not an exclusive easement and that Grantor shall have the right to use and enjoy the Easement Area in any manner not inconsistent with the easement rights created herein, and grant others the right to do so.

10. **Liens.** Grantee shall not permit (and shall promptly satisfy or bond) any construction, mechanic's lien or encumbrance against the Easement Area in connection with the exercise of rights hereunder.

11. **Effective Date.** The Effective Date of the Agreement shall be the last day that this Agreement is signed by either Party.

12. **Miscellaneous.** This Agreement contains the entire understanding of the Parties with respect to the matters set forth herein and no other agreement, oral or written, not set forth herein, nor any course of dealings of the Parties, shall be deemed to alter or affect the terms and conditions set forth herein. If any provision of this Agreement, or portion thereof, or the application thereof to any person or circumstances, shall, to the extent be held invalid, inoperative or unenforceable, the remainder of this Agreement, or the application of such provision or portion thereof to any other persons or circumstances, shall not be affected thereby; it shall not be deemed that any such invalid provision affects the consideration for this Agreement; and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law. This Agreement shall be construed in accordance with the laws of the State of Florida. Venue for any proceeding brought hereunder shall be Polk County, Florida. In the event of any dispute hereunder or of any action to interpret or enforce this Agreement, any provision hereof or any matter arising herefrom, the predominantly prevailing party shall be entitled to recover its reasonable attorneys' fees, costs and expenses, whether suit be brought or not, and whether in settlement, in any declaratory action, at trial or on appeal. The section headings in this Agreement are for convenience only, shall in no way define or limit the scope or content of this Agreement, and shall not be considered in any construction or interpretation of this Agreement or any part hereof. Where the sense of this Agreement requires, any reference to a term in the singular shall be deemed to include the plural of said term, and any reference to a term in the plural shall be deemed to include the singular of said term. Nothing in this Agreement shall be construed to make the Parties hereto partners or joint venturers or render either of said parties liable for the debts or obligations of the other. This Agreement may be executed in counterparts, each of which shall constitute an original, but all taken together shall constitute one and the same Agreement. Time is of the essence of this Agreement. This Agreement shall be binding upon and inure to the benefit of Grantor and Grantee and their respective successors and assigns. The rights, privileges

and Easement granted and conveyed hereunder shall be a burden upon the Easement Area and shall exist for the benefit of and run with title to the Easement Area.

DISTRICT AND HIGHLAND CASSIDY, LLC**

THIS AGREEMENT (“Agreement”) is made and entered into and effective as of 24th day of April 2024, by and between:

POLLARD ROAD COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, with a mailing address of 219 East Livingston Street, Orlando, Florida 32801 (“District”), and

HIGHLAND CASSIDY, LLC, a Florida limited liability company, an owner of certain lands within the District, with a mailing address of 346 E. Central Avenue, Winter Haven, Florida 33880, and its successors and assigns (“Developer”)

RECITALS

WHEREAS, the District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “Act”), and is validly existing under the Constitution and laws of the State of Florida; and

WHEREAS, the Developer is the owner and/or developer of certain undeveloped lands located within the boundaries of the District identified in the Engineers Report (as defined below, the undeveloped lands described therein being the "Development") upon which the District's improvements have been or will be made; and

WHEREAS, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees, and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, the District is anticipated to be without sufficient funds available to provide for the construction of anticipated master improvements and facilities within the Development, which are described in the *Pollard Road Community Development District Engineer’s Report*, dated March 1, 2022, supplemented by the *Pollard Road Community Development District Supplemental Engineer’s Report*, dated April 8, 2024, attached hereto as **Composite Exhibit A** (together, the “Engineer’s Report”) including construction and any design, engineering, legal, or other construction, professional, or administrative costs (collectively, the “Improvements”); and

WHEREAS, in order to induce the District to proceed at this time with the construction of the necessary or desired improvements, the Developer desires to provide the funds necessary to enable the District to proceed with such improvements if and when the District exhausts the funds on deposit in the construction account; and

WHEREAS, the District anticipates accessing the public bond market in the future to obtain financing for the construction of the Improvements as described in **Composite Exhibit A**,

and the parties agree that, in the event that bonds are issued, the funds provided under this Agreement will be reimbursable from those bonds.

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the parties, the parties agree as follows:

1. RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

2. FUNDING. Developer agrees to make available to the District such monies as are necessary to enable the District to proceed with the design, engineering, and construction of the infrastructure improvements. Developer will make such funds available on a monthly basis, within fifteen (15) days of a written request by the District. The funds shall be placed in the District's construction account with such depository as determined by the District.

3. REPAYMENT. The parties agree that the funds provided by Developer pursuant to this Agreement will be properly reimbursable from proceeds of the District's issuance of tax-exempt bonds. Within forty-five (45) days of receipt from time to time of sufficient funds by the District for the financing of some or all of the Improvements, the District shall reimburse Developer until full reimbursement is made or until all funds generated by the anticipated financing are exhausted, exclusive of interest, for the funds advanced under Section 2 above; provided, however, that in the event bond counsel engaged in connection with the District's issuance of bonds providing such financing determines that any such monies advanced or expenses incurred are not properly reimbursable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, the District shall not be obligated to reimburse such monies advanced or expenses incurred. If the District does not or cannot issue bonds to provide the funds for the Improvements within five (5) years of the date of this Agreement, and, thus does not reimburse the Developer for the funds advanced, then the parties agree that such funds shall be deemed paid in lieu of taxes, fees, or assessments which might be levied or imposed by the District.

A default by either party to this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages, injunctive relief and/or specific performance, but shall exclude, in any event, consequential, incidental, special or punitive damages.

5. ENFORCEMENT OF AGREEMENT. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. AGREEMENT. This Agreement shall constitute the final and complete expression of the agreement between the parties relating to the specific subject matter of this Agreement.

7. **AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

DATE OF LANDOWNERS' MEETING: **Tuesday, November 5, 2024**

TIME: **9:20 A.M.**

LOCATION: **Holiday Inn—Winter Haven, 200 Cypress Gardens Blvd, Winter Haven, Florida 33880**

Pursuant to Chapter 190, *Florida Statutes*, and after a Community Development District (“**District**”) has been established and the landowners have held their initial election, there shall be a subsequent landowners’ meeting for the purpose of electing members of the Board of Supervisors (“**Board**”) every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), *Florida Statutes*.

A landowner may vote in person at the landowners’ meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. Moreover, please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners’ meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

This year, three (3) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The candidate receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.
